

Mission

BHASVIC's mission is to transform lives through learning. We will accomplish this by:

- meeting the individual learning needs of students and supporting them to achieve
- encouraging students to participate in the wider opportunities the College offers
- working in partnership with other organisations

Values

Our aspiration is to be a community in which everyone is considerate of themselves and of other people. As such, we:

- hold all people to be of equal worth and treat them fairly and without prejudice in every aspect of College life
- are considerate and respect one another and the College environment
- value clear and consensual leadership and welcome ideas and constructive criticism from all
- strive for excellence in every thing we do by constantly seeking to improve
- provide the context in which excellence can flourish by:
 - supporting staff through a range of measures which include accommodation (fitness for purpose; decorative standards); equipment; staff care (stress, workloads); professional and personal development; maximising opportunities to share and develop good practice and celebrating success
 - encouraging students to take charge of their own learning and to be aware of their rights, responsibilities and our expectations of them
- set high professional standards for staff and high standards of student behaviour
- are responsive to what students and staff tell us about how the quality of teaching and learning can be improved
