

March 2011

To Parents/Guardians of Second Year Students

Dear Parent/Guardian

Students have recently completed a "light touch" on-line subject review with their teachers and these are enclosed for you to discuss with your son or daughter. Please be aware that teachers have only provided comments within these short reviews, where they may have concerns about effort, attendance or progress. We have also enclosed a record of attendance up to Friday 18 February (half term) 2011 with an explanation of codes.

In the November 2010 letter we included an explanation of the "minimum expected grade" and an explanation of the subject review process.

These are available to be viewed again on the Parents' Information pages on the College website. You can view them by logging on to: <http://www.bhasvic.ac.uk/parents.htm>. These documents are also available in hard copy on request.

We are now approaching the last few weeks of study for A2 students and would like to inform you of some key dates.
