

NETBALL DEVELOPMENT 2009

BHASVIC's Netball development course gives students the opportunity to play Netball, develop their skills, knowledge and understanding of the game. The programme runs alongside the extensive range of academic studies. AS, A2, BTEC Sports Science, Level 3 Award in Sport, Level 2 First Diploma in Sports performance and next year the level 1 course. Students will have three hours a week delivered by highly qualified teaching staff. The programme will consist of video analysis, skill development training and coaching skills.

Not only do we strive to improve the students ability to perform as a player, but seek to improve their ability to coach. The students will use the practical side of the course to help them gain their **1st for Sport Level 2 Coaching Award** that runs alongside the development course.

OFSTED 2007 states that "The overall pass rates particularly at level 3 are high, with many subjects achieving high grades at both A2 and AS."

Success For the last four years BHASVIC has consistently had students playing **County level Netball**.

In the 2006-2007 season **BHASVIC 1st Team** were **County, Sussex League Division 1, and British Colleges League Champions**.

BHASVIC 2nd team also won Sussex League Division 2.

"The team was so successful as coaching staff were willing to put in lots of time with us."

Laura Garrett, BHASVIC 1st Team
Captain 2006-2007, County

Principal, Chris Thomson

“We take immense pride in our achievements which merits celebration. I would personally like to congratulate our outstanding staff and students for their hard work, which has led to a record set of results.”

Lyndsey Whiley has been the first team coach for 5 years. Lyndsey has developed the team into a strong force in Sussex. The team Lyndsey coached last year won the county championship. Lyndsey has developed several students to represent the county.

Lyndsey is supported by Viv Tate who runs the second team. Viv is a qualified level 2 Netball coach and has been coaching for several years. Viv is a highly experienced coach and teacher at the college

“It was great to represent the college to such a good standard, really helped me with my game outside of college too”.

Amy Golby, BHASVIC 1st Team, County Representative.

How to apply Please see any of the P.E staff to ask for advice about the course. The selection process consists of two training session, followed by a trial game.
