Complete your UCAS Apply Form

You will begin this in tutor but will need to complete this at home.

Help: [The UCAS Apply PowerPoint on the UCAS Team](#)

Complete your Personal Statement

Tutor activities in the next 3 weeks will help you. You will need to complete at home. Your tutor will check and suggest changes.

Help: [3 x Personal Statement PowerPoints](#)

Check and complete your reference

You will check your reference and predicted grades with your tutor. Once it has been sent to UCAS and you have paid and sent your application there are NO CHANGES.

Help: [Top and tail for your reference](#)

Ready to go

You will let your tutor know you re ready to send. They will have sent your reference to General Office and checked your Personal statement. You will have completed your UCAS Apply form and checked through using the UCAS Apply PowerPoint. Your tutor will mark as ready to go and your application will be re-checked and you will be asked to pay and send.

IMPORTANT: [Please check your emails and teams messages.](#)

Timeline

- This session Intro and begin UCAS Apply
- Next 3 weeks Personal Statements

Internal Deadlines for all guaranteed UCAS applications

- **25/09** Early Application deadline for Oxbridge and Medics
- **15/10** From this date **all other UCAS Applications** can be processed, submitted and sent
- **13/11** Priority Application deadline
- **11/12** Standard deadline for guaranteed processing before the national UCAS deadline
- **11/12** Ex-student deadline

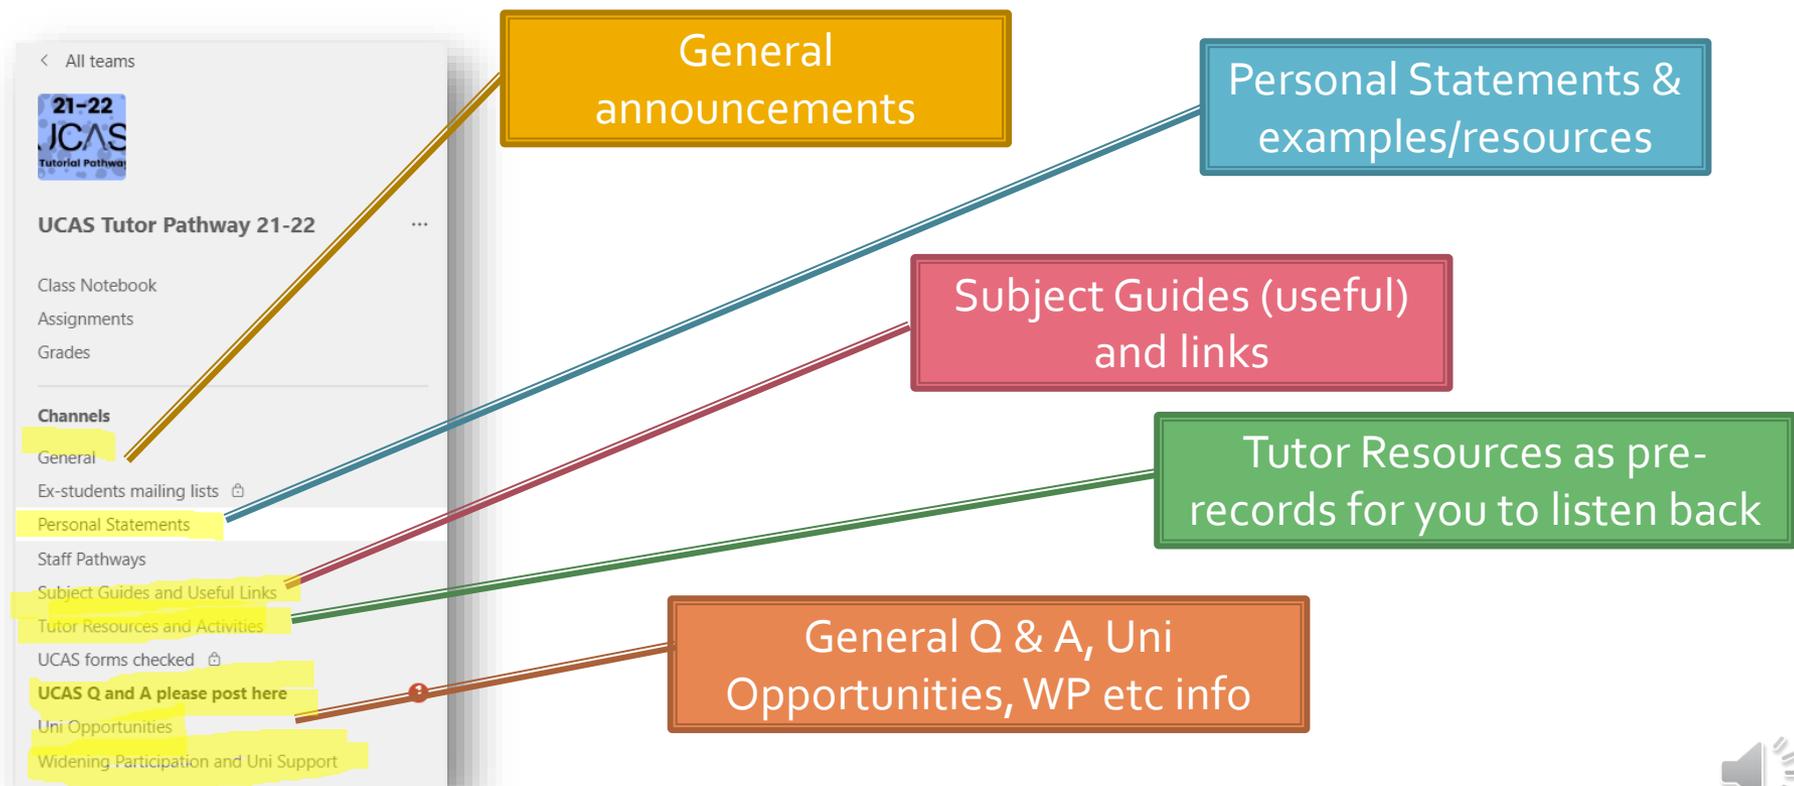

Tutor Activities & Resources

- You will very likely complete much of the UCAS process independently
- It will be important to **check your emails and teams regularly.**
- All the resources you need will be posted on the **UCAS Team page.**
- You will need to look at the resources before your tutor session and your tutor will be making sure you understand what's included.

UCAS Resource reminder

- You will find everything you need on the UCAS team channels

Not applying for Sept 22 entry?

- You **might be very sure you will take a gap year**. In this case **no need to apply this year** but your tutor will ensure that you are aware of how you will apply post-BHASVIC (you will still apply through college as an ex-student).
- After half term we will likely be moving onto other tutorial resources.
- If in any doubt apply this year! It's only **£22/£26.50** and you can decide not to go.

Your choices

- Make sure you think of your choices as
- 1 or 2 as **aspirational** (slightly above your predicted grades)
- 2 or 3 as **solid** (your predicted grades)
- 1 or 2 as **insurance** (if you have flu on the day of the exams)
- All of them you should be happy to go to – **don't feel you have to fill all 5 – you can add up to the UCAS deadline 22/01/22.** In fact it is very useful to leave one or two open until near the deadline in case you change your mind.

Task week 1

- Unless you are absolutely sure you are taking a gap year you **should begin completing the UCAS Apply form.**
- By **next week** we would have expected you to have used the help PowerPoint to complete your **personal details** but it is helpful to complete **as much as you can.**
- This will mean you have more time to focus on your personal statement.

Questions and problems

- **Talk to your tutor**
- **Ring uni admissions offices – they want to help!**
- **Lots of help on the UCAS Teams page or online.....**
- **Use the UCAS 22 entry PowerPoint**

Common questions

- **What happens next?** *When you have completed your personal statement and checked it with your tutor we will do a last check of your form, you will pay & send, we will send to UCAS. Keep an eye on Teams/emails.*
- **And then?** *Once it has gone to UCAS and they have processed it (usually quite quick) you will have UCAS Track which is your interaction with UCAS / your choices.*
- **Decide you want to defer after you have applied?** *Ring unis and ask them.*
- **When do you have to choose a choice?** *This is ages away – from March to May. You need all offers – plenty of time and more info later*

Common questions

- Can you make changes after it has gone to UCAS? *If you change your postal or email address, you can amend your details using Track.*
- Dropping or changing a subject? *If there is any change in your exam subjects or examining board, write to UCAS with the details, as you can't make these changes online. **IMPORTANT:** If for example drop EPQ you must tell unis. They will make you offers including it (even if it doesn't say) and it could invalidate any offers if you don't (you have told them in the application you are doing it!).*
- Change a uni choice? *You can change your choices of unis up to seven days from the date of your welcome letter. After that, it's not usually possible to change your choices. So only add those you are sure about!*

Common questions

- How do I rank my choices? ***You don't!*** *They are five choices in any order. After you have put them into track they usually come out in alphabetical order. You make the choices when all offers come in.*
- Can I slightly change my course choice at the same uni? *You might well be able to (earlier the better) – give the uni admissions a call*

Registering and completing your UCAS Apply

- You will now spend the remaining part of this tutor session registering for the **UCAS HUB** and completing your **UCAS Apply** form.
- If you have already completed much of the form check you have entered the following correctly.....

Checklist of common errors

- **Middle name** – your name must match your passport / student advantage
- **Mobile number and email address is correct** – you do not have to use your BHASVIC email – you do need to check whichever email address you have used often
- **Correct finance code** - always 02
- **County** – East Sussex, West Sussex or Brighton and Hove (this is where your student loan comes from)
- **Correct GCSEs and exam boards** (we don't keep details – ask a secondary school friend)
- **Correct BHASVIC quals /exam boards** – check UCAS help PowerPoint for common errors
- **Combined Science is tricky** – see next slide
- **WP** add to each uni choice – type in **WP** in the further details box
- **Add any exam arrangements such as extra time etc** in the notes when asked about learning needs/disabilities

Some universities provide excellent support (Bristol have an excellent accommodation offer for care experienced).

It will flag you up for WP schemes and bursaries.

Our guide to [writing your personal statement](#) (opens in a new window) should help you complete this section.

We strongly recommend you write the statement using a word-processor and paste it in to your application.

You can type your statement directly into the box or edit a statement you have pasted in.
