

16-19 Bursary Fund Guidelines

These guidelines apply to students who are aged 16, 17 or 18 on the 31 August 2023. If you turn 19 on or before this date, please email bursary@bhasvic.ac.uk to discuss your options for financial support.

The 16 – 19 Bursary Fund provides financial support to help students overcome specific barriers to participation and attendance, so they can remain in further education. BHASVIC provides two types of bursary; 'Enhanced' and 'Discretionary'. Please read the following guidelines very carefully as they tell you how we target and distribute our funds.

IMPORTANT:

- **Make sure you know your BHASVIC student number.** You can find this on any of the communication sent to you by our Admissions team. You will need it if you want to apply for a bursary.
- **Make sure you can access your BHASVIC email account.** Log in details were sent to you in June. If you have any problems accessing your account, contact our [IT Support department](#) **before** attempting to apply for a bursary.
- **You (the student) need to have your own bank account.** We cannot make payments to you in cash or by cheque. We also cannot make payments to your parent(s)/carer(s), or any other third party. **The account must be in your name.** If you do not have a bank account, or are having difficulty opening one, please email bursary@bhasvic.ac.uk for advice.
- **Funds are limited and do run out.** We strongly advise you to put in an application as soon as possible.

Please note: Even if you are eligible to apply for one of the bursaries, BHASVIC has the right to refuse your application if you do not have any actual financial need. This may be because your financial needs are being met in another way, or because you have no college-related costs to meet. No award is guaranteed, and all monies awarded will be based on **the college's assessment of your financial need.**

How to Apply:

The application process for both types of bursary is the same.

- You need to apply online, via an online portal
- The online portal can be found here: [Financial Support \(bhasvic.ac.uk\)](https://bhasvic.ac.uk/financial-support)
- You should apply as soon as possible

IMPORTANT:

- Complete each section of the online application form carefully – answer all of the questions. We can only process completed applications.
- You will need to upload electronic copies of the required evidence – do not send us anything by post or email unless we ask you to. Only evidence submitted via the portal is correctly attached to your application.
- If you have any problems, email bursary@bhasvic.ac.uk and a member of staff will help you.

When to Apply:

- **The deadline for applications is Friday 8 December 2023.** Any applications received after this date will be at the college's discretion.
- You should try to apply before your courses begin in September.
- If you apply during the first half term, payments will be backdated until the 1 September. Applications received from Saturday 21 October onwards will not be subject to any back payments, and any award offered will be calculated from the date of your application.

Any student finding themselves in financial hardship after the 8 December deadline should still contact bursary@bhasvic.ac.uk. We will always help if we can.

What happens after an application is made?

- All applications are assessed by the Student Support team.
- Remember, we can only process completed applications that include the required evidence.
- If your application is incomplete, we will use your BHASVIC email to request more information.
- **All decisions are emailed to your BHASVIC email account. We try to let you know the outcome of your application within 15 working days.**

If a bursary is awarded: the email we send to you will tell you how much you have been awarded, what the award is for, how the payments will be made, and the month in which payments are made. You will also receive information about any conditions on your award, for example, our attendance expectations.

If a bursary is refused: the email we send to you will explain why. The most common reason is not having the required evidence, or not completing the application in full.

Further Information About Payments: Costs we do support

The following table explains each type of payment in more detail:

<p>Course Charges</p>	<p>The amount you are awarded is based on the course(s) you enrol on. Some students will have no course charges at all, others will find that all of their chosen courses have a related charge.</p> <p>Course charges for two-year courses are paid in two parts, half in each academic year. You need to re-apply for the bursary for each academic year.</p> <p>Support for course charges is assessed automatically at the point of application and you do not need to provide additional evidence for this.</p>
<p>Travel</p>	<p>To receive support with travel costs you must:</p> <ul style="list-style-type: none"> • live within the Brighton & Hove, East Sussex or West Sussex local authority areas • live over 1 mile away for an Enhanced Bursary, or 2 miles away for a Discretionary Bursary • not be in receipt of travel support from another source (e.g. a local authority) <p>Distances are calculated from our main site, postcode BN3 6EG, and we cannot pay travel costs from outside of the three Local Authority areas listed above.</p> <p>We use Google Maps to calculate the distance between your home address and the college site. We use the walking distance provided. You may want to check this yourself, using the postcode given above, so you know in advance whether you are likely to receive travel support.</p> <p>The reason for using the Google Maps walking distance for all distance calculations is to ensure that the calculation is fairly applied to each student, decisions are transparent, and that our allocation process for travel does not require the bursary team to analyse the various routes that may be available to an individual.</p> <p>We will not fund travel for students who do not meet the 1 or 2 mile distance threshold, unless there are exceptional or medical circumstances, which will be considered on a case by case basis. You will need to contact us via bursary@bhasvic.ac.uk if you think this applies to you.</p> <p>All travel awards are based on the cheapest form of public transport available to you, and we also expect you to take advantage of any discounts or subsidies available.</p> <p>The award you are given may not cover 100% of your costs. Please see pages 17-22 for more information on amounts paid per term, determined by area.</p> <p>If you are travelling to college by train or bus, and also live more than 1 miles / 2 miles from your nearest station/stop, we may offer you additional funds to cover travel costs between your home and the train/bus station/stop.</p> <p>Support for travel is assessed automatically at the point of application and you do not need to provide additional evidence for this, unless you are applying on the grounds of exceptional or medical circumstances.</p>

Free College Meals	If you are eligible to receive an Enhanced Bursary, you will be provided with £5.00 per timetabled day to spend in our food outlets. This will be loaded on to your BHASVIC ID card which you then use as a cashless payment method. Eligibility for Free College Meals is assessed automatically at the point of application and our decision is based on the evidence supplied to us with your application. Students applying for a Discretionary Bursary are not eligible to receive this support.
Stationery / Art Materials	Paid via an in-store voucher to be redeemed in a Sussex based retail outlet. Our current supplier has stores in central Brighton, Lewes and Haywards Heath. You will receive an email when your voucher is ready to collect, and you will need to come to the Student Services Centre, with your BHASVIC ID card, to get it.
Field Trips	<p>For one-day, non-residential trips within the UK, that take place during term-time, linked to a specific course, we can cover the specified trip costs. Please bring the trip permission letter to the Student Services Centre, as soon as it is given to you, so we can authorise an internal payment. If you have already paid for a trip and would like to organise a refund, talk to the reception team in the Student Services Centre.</p> <p>Support for trips is not assessed automatically. You will need to contact us each time you have the opportunity to participate in a trip and provide us with the trip letter as stated above.</p> <p>Please note that we <u>cannot</u> provide any support for trips that include an overnight stay, regardless of whether they are in the UK or abroad. You should expect to meet all costs for residential and overseas trips yourself. The college usually offers a payment plan for these trips.</p>
Sports Kit	<p>Students taking sports courses, or representing BHASVIC in a sporting event, can receive up to £50 for each year of study, to assist with clothing and kit costs.</p> <p>Support for Sports Kit is not assessed automatically. You will need to contact us to request this support and we will contact the Sports Department to confirm that you need the kit/equipment you are requesting. With enough notice, we may be able to order the items on your behalf. The alternative is that you purchase the items with your own funds and provide us with a copy of the receipt so we can refund you.</p>
Scientific Calculator	<p>Only for students studying Maths, Physics, Chemistry, Biology or Environmental Science. We will pay up to a maximum of £90.</p> <p>Support for a calculator is not assessed automatically. With enough notice, we may be able to order the item on your behalf. The alternative is that you purchase a calculator with your own funds and provide us with a copy of the receipt so we can refund you (refund will be up to a maximum of £90). You can only receive support to purchase a calculator once during your time at the college. If you are unsure of the calculator functions required for the entirety of your study, please ask your teacher(s) for more information.</p>
Books / Key Texts	Only for students studying English Literature (up to £65), English Language & Literature (up to £25) or Modern Foreign Languages (up to £12 per language). Support for this cost is not assessed automatically. With enough notice we may be able to order the item(s) on your behalf. The alternative is that you purchase the book(s) with your own funds and provide us with a copy of the receipt so we can refund you (up to the maximum annual allowances given above).

<p>Visits to universities / employers / apprenticeship providers</p>	<p>We may support students with travel costs to attend university, apprenticeship and/or employer events such as Open Days, Applicant Days or Admissions/Job Interviews, where there is a clear link with their future progression plan.</p> <p>When deciding whether we can support a request, we will consider whether the trip is compulsory or optional, whether the university, apprenticeship provider or employer offers financial support for this purpose, and whether there is a viable alternative e.g. taking part virtually.</p> <p>All awards made under this category will be dependent on the budget we have available at the time. If funds are available, we will support Enhanced Bursary recipients with a maximum of four visits per academic year, and Discretionary Bursary recipients with a maximum of two visits per academic year. The amount awarded will be calculated using the cheapest form of public transport from BHASVIC to your destination, and will also take all available travel discounts into account. We will not pay for overnight accommodation costs associated with visits of this type, and can only support the costs of the student, not those of anybody travelling with them. Support under this category is not assessed automatically and you will need to contact us if this cost arises for you.</p>
<p>UCAS Application Fee</p>	<p>The cost of applying to higher education via UCAS is approximately £27.50. It is very important that you budget for this in advance of making your application, as you need to pay this cost using a debit card and we cannot pay it to UCAS on your behalf. However, if you provide Student Services with a copy of your receipt, we can reimburse this cost for you. You can either bring a paper copy to the Student Services Centre, or you can send an electronic version to bursary@bhasvic.ac.uk</p>

Further Information About Payments: Costs we do not support

The following table provides information about the costs the bursary **does not** cover, and why:

Printing	All students receive £3 worth of print credits at the beginning of their first year- when these have run out, more print credits can be purchased from the Library desk at a cost of £3 for 100 sheets. We strongly encourage students to carefully consider what needs to be printed, to cut down on both cost and waste.
Exam Re-sits	We cannot support students with the cost of exam re-sits.
Enrichment or extra-curricular activities (including Duke of Edinburgh Awards)	We cannot support the cost of any enrichment activities which are not a compulsory part of a course you are studying. The college offers a wide range of enrichment activities and tries to ensure there are always options with zero costs to meet.
Compulsory Admissions Examinations	Some university courses require an admissions test as part of their application process, for example, the LNAT for some Law courses, or the UKCAT for some Medicine courses. Many of these processes waive their fees for students who are in receipt of the 16-19 Bursary Fund so we do not meet this cost for you. If you are unsure whether or not you are required to pay a fee for a compulsory admissions test, please speak to Student Services and we can help you contact the relevant university to request a fee waiver.
High Value Equipment	Due to a limited budget we cannot support students with the cost of high value equipment such as laptops and cameras. We may however be able to provide a laptop on long-term loan. If you do not have a laptop that you can bring in to college with you, please email bursary@bhasvic.ac.uk and a member of staff will get back to you.
General living costs	The bursary will not cover general living expenses e.g., mobile phone bill, accommodation, utility bills, gym membership, social/sporting activities unrelated to your college course(s).
Petrol	All awards for travel are based on the cheapest form of public transport available to you, after all available discounts have been applied.
Car Parking	There is no student parking on-site. If you chose to travel by car we will not contribute towards the cost of metered parking. We do not recommend students travel to college by car, as parking is very limited in the local area.
Small items of stationery	We will not allocate additional funds to you for small items of stationery e.g., pens, paper, folders. We expect that all of your stationery needs will be met by the vouchers provided to you in September and the Spring Term.
Assessment and Examination Fees	Students with attendance below 90% by the time examination or assessment entries are made, may be required to pay a contribution towards the cost of assessment. The bursary fund will not cover this cost for you.

Travel Calculations: Termly Amounts Paid

You do not need to read pages 17 to 24 unless you think you are eligible to apply for travel support.

If you are eligible for support with travel, we will pay you a set amount each term, so long as you meet our attendance requirements and are not subject to any disciplinary action.

All travel awards are based on the cost of the cheapest method of public transport available. The table below, and on the following pages, shows you how we have calculated the cost from local areas within Brighton & Hove, East Sussex and West Sussex.

Train and bus prices can increase during the year, but we will not recalculate your award if this happens; the amount you are allocated at the beginning of the year remains the same, regardless of any changes in fares. Prices quoted in the table were correct at the time of publication (June 2023).

Continued bursary eligibility is dependent on your attendance and conduct at college – we will send you more information about this if you are awarded a bursary. **Please bear this in mind when budgeting, as January and April bursary payments may not be received into bank accounts until the second week of the new term, after attendance and disciplinary checks have been completed.**

Travel Calculations: Ticket Combinations

The method we use to calculate travel costs aims to ensure that we get the best value from the bursary fund, and can help as many students as possible. We would strongly recommend that you do your own research and calculations to establish the best way of spending any money you receive for travel. However, the following table gives details of the combination of tickets we have used to calculate each termly payment.

Please note: if you apply within the first half term of the academic year, payments will be backdated until the 1st September. Applications received from Saturday 21 October onwards will not be subject to back payments to the beginning of the year, and **any award offered will be calculated from the date of your application.**

Appendix One: 'Children in Care' and 'Care Leavers'

Defining in care and care leavers

For the purposes of the 16 to 19 Bursary Fund, the definitions are:

- 'in care' means young people looked after by a local authority on a voluntary basis (Section 20 of the Children Act 1989) or under a care order (Section 31 of the Children Act 1989). Section 22 of the Children Act 1989 defines the term 'looked after child'
- 'care leaver' means either:
 1. a young person aged 16 and 17 who was previously looked after for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16; or
 2. a young person aged 18 or above who was looked after prior to becoming 18 for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16

Most care-experienced young people have, or will have had, a Social Worker.

Foster care, including privately arranged foster care

A young person placed with a foster carer by the local authority, including where the foster carer is on the books of an independent fostering agency, is classed as looked after. They meet the 'in care' criteria for the Enhanced Bursary.

A young person who is privately fostered (in other words, a private arrangement is made between the parent and the person who will care for the young person) is not classed as a looked after child and is not eligible for the Enhanced Bursary, but may well be eligible for the Discretionary Bursary.

In some instances, a young person may have been in the care of the local authority and the care transferred to another party via a permanent form of fostering such as a Special Guardianship Order. In these circumstances, the young person is defined as having left care so is now a care leaver. They must meet the definition of a 'care leaver' in full (so, the period of weeks and age range set out above). If they do, they are eligible for help from the Enhanced Bursary where need financial support to participate.

Defining Young Adult Carers

For the purposes of the 16 to 19 Bursary Fund, the college uses the following definition:

- A Young Adult Carer is a young person between the ages of 16 and 25, who helps care for someone with a disability, mental health condition, substance misuse issue or long-term illness.
