New Parents and Carers' Information Webinar - Thursday 8 October, 7.30-8.15pm

In advance of this, you may be interested to attend our **New Parents and Carers Information Webinar on Thursday 8th October, 7.30-8.15pm**. William Baldwin (Principal), James Moncrieff (Deputy Principal) and Alison Cousens (Assistant Principal) will be available to answer any questions that remain for you now that new students have completed their first few weeks and have begun to settle in. As you know, student wellbeing is at the heart of our work supporting every young person at BHASVIC; Andrew Wright, from Action Your Potential, will be on hand at the end of the webinar to remind us about the daily steps we need to take to secure wellbeing. He will give further information about the BHASVIC 'members area' of his website and take the opportunity to offer advice and support to students on how to develop some new daily learning habits. Andrew is also looking for some students to join him in a podcast he will be making for the college. If your young person is interested in taking part in this podcast, please ask them to email: andrewwright@aypuk.com.

If you want to join our webinar on Thursday [please click on the link](#) (we're limited to 500 places, but a recording will be available afterwards for everyone to access). **If you want to ask us a question in advance of the webinar, then click here to [let us know your question](#).**

With best wishes
