

Application for Provider Access

Introduction

This document sets out the college's arrangements for managing the access of providers to students at the college for the purpose of giving them information about the provider's education or training offer. This complies with the college's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

All A1 & A2 BHASVIC students are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of our careers, enrichment and tutorial programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through A1-A2 transfer, Futures Fair, Progression Week, careers events and enrichment activities, information evenings and tutorial discussions;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact the Student Experience team, which includes careers, work experience and cross-college events and enrichment:

- Nigel Fisher (Head of Student Experience)
- Lynne Trower; Adele Fox (Careers Advisers)
- Sam Davey (Work Experience Co-ordinator)
- Mia Penfold (Events & Enrichment Co-ordinator)

Contact Details: Telephone: 01273 552200/Email: careers@bhasvic.ac.uk

Opportunities for access

The college offers a comprehensive Careers Education, Information, Advice and Guidance programme and an overview of this programme can be seen in the Futures Framework Strategy which can be seen on the Careers & Employability page of the college website [HERE](#)

Please speak to a member of our Student Experience Team to identify the most suitable opportunity for you.

The College will make a suitable space available for discussions between the provider and students, as appropriate to the activity. The College will also make available ICT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Student Experience team or other relevant member of staff.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers team so that they can be displayed in the Student Services Centre or the careers section of the college's library, as appropriate.
