BHASVIC July 2027 Trip

Vietnam Community Development – 14 Days

Connect with the vibrant culture of Hanoi and the stunning landscapes of Mai Chau while supporting meaningful community initiatives. Step beyond the classroom, work alongside local partners, and develop the real-world skills, independence, and global perspective that set you apart.

Community development

Empower the next generation by running educational activities for local children and supporting a charity to recycle soap for disadvantaged families.

Environmental outreach

Take active steps against climate challenges by planting trees at a local school and exploring sustainable solutions in interactive workshops.

Cultural exploration

Step into history at the Imperial Citadel, pick up some Vietnamese language skills, and navigate the breathtaking cave systems of Ha Long Bay.

Programme information
