

THE BHASVIC ECO-CODE

At BHASVIC we aim to REDUCE our impact on the environment.

Please try to keep your use of resources to a minimum:

- only print files or e-mails if they are absolutely essential.
- consider wearing suitable clothing for the prevailing weather conditions so you don't waste body heat????.
- turn off all electrical equipment (such as computers, printers and lights) when you leave a room empty.

At BHASVIC we aim to REUSE as many resources as possible, so please:

- use every scrap of paper to its fullest extent.
- consider buying reusable ink pens to replace 'biros'.
- use rechargeable batteries in electrical equipment.

At BHASVIC we aim to RECYCLE as many resources as possible, so please

- use the recycling facilities around College or
- take your recyclable rubbish home with you and recycle it there.
