16-19 Bursary Fund and Free College Meals Guidelines for

These guidelines apply to students who are aged 16, 17 or 18 on the 31st August 2015. If you turn 19 on or before this date please refer to the 19+ Learner Support Fund Guidelines which are available from Student Services.

What are Free College Meals?

School and academy sixth forms have been required to provide free meals to 16-18 year old students from low-income households since 1996. As of September 2014, this requirement is being extended to students who are following further education courses across the full range of further education funded institutions – including BHASVIC. Eligible students will be funded by credits which have an equivalent value to a meal in the BHASVIC canteen for each day they have timetabled lessons at College. No cash payments can be made for Free College Meals.

Are you eligible for Free College Meals?

If you are eligible for Free College Meals, please complete the **16-19 Bursary Fund and Free College Meals Application Form for 2015-16**. If you submit an application for Free College Meals we will **automatically** assess your eligibility for the 16-19 Bursary Fund; **you only need to submit one application**. You can find out more about the 16-19 Bursary Fund on the next page.

If you are not eligible for Free College Meals you may still be eligible for an award from the 16-19 Bursary Fund. Please read on for further information.

What is the 16-19 Bursary Fund?

The 16-19 Bursary Fund aims to help 16 to 19 year-olds overcome any financial barriers they may face in order to attend a sixth form or further education college.

The Bursary Fund, which has been allocated to BHASVIC by the government, is made up of two parts:

1. The Guaranteed Bursary: This is an award of up to £1,200 per year (usually split into termly payments) for students who:

- receive Income Support in their own name
- receive Universal Credit payments in their own name
- are disabled and receive Employment Support Allowance *and* Disability Living Allowance in their own name
- are disabled and receive Employment Support Allowance *and* a Personal Independence Payment in their own name
- are in local authority care or who have recently left local authority care

If you are studying a course which lasts less than 30 weeks, or are studying for less than 12 hours per week then your bursary will be pro-rated and you will receive less than £1200.

If your costs are above £400 per term (for example, train travel from some locations is over £500 per term), please contact Student Services, and we will issue a top-up payment from the Discretionary Bursary where possible. Students receiving a Guaranteed Bursary can also apply for support with additional costs that may present during the academic year (see pages 7-9 for details).

2. The Discretionary Bursary: The College also has money to help students who are not in the groups above but who face genuine financial barriers to attending college. A discretionary bursary is awarded to you based on your specific requirements and cannot be awarded for costs unrelated to your programme of study, for general expenses or used as an attendance incentive. Bursaries are usually awarded for transport and/or course costs.

BHASVIC follows advice from the Education Funding Agency when administering bursary funding.

Colleges in Sussex have also been working together to agree a common set of principles for how funding is distributed to students. Each College will have some flexibility in how it administers its funds but colleges in Sussex are committed to working in partnership to ensure that funds are given out fairly regardless of which college you chose to attend.

Are you eligible for a guaranteed bursary?

To be eligible for a guaranteed bursary you must be in one of the following groups and be able to provide us with the evidence listed below:

Target Group	Evidence Required
<p>Young People 'in care', or 'care leavers'</p> <p>i.e., young people who are, or have been, cared for by the Local Authority.</p> <p>Most Looked After Children have, or will have had, a Social Worker.</p>	<p>A letter from your Social Worker, Key Worker or Local Authority. Please see the next page for more details on how 'in care' and 'care leaver' are defined.</p>
<p>In receipt of Income Support in your own name</p> <p>or</p> <p>In receipt of Universal Credit in your own name</p>	<p>A letter dated within 3 months from Job Centre Plus.</p> <p>This letter needs to confirm your name, address and that you receive Income Support/Universal Credit.</p> <p>If you have a letter older than 3 months please also provide a bank statement which shows a payment going in to your account within the last 3 months.</p> <p>We cannot accept a letter older than 3 months without the support of a bank statement.</p>
<p>Disabled and in receipt of <u>both</u> Employment Support Allowance and Disability Living Allowance or Personal Independence Payment in your own name</p> <p>or</p> <p>Disabled and in receipt of <u>both</u> Universal Credit (limited capability for work element or limited capability for work related activity element) and Disability Living Allowance or Personal Independence Payment in your own name</p>	<p>A letter(s) dated within 3 months which confirms your name, address and that you are in receipt of <u>both</u> benefits.</p> <p>If you have a letter older than 3 months please also provide a bank statement which shows a payment of each benefit going in to your account within the last 3 months.</p> <p>We cannot accept a letter older than 3 months without the support of a bank statement.</p>

How are young people in care and care leavers defined?

For the purposes of the 16 to 19 Bursary Fund, the definitions are:

- 'in care' means children and young people looked after by a local authority on a voluntary basis (Section 20 of the Children Act 1989) or under a care order (Section 31 of the Children Act 1989). Section 22 of the Children Act 1989 defines the term 'looked after child'
- 'care leaver' means either:
 - Young people aged 16 and 17 who were previously looked after for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16.
 - A young person who is aged 18 or above who was looked after prior to becoming 18 for a period of 13 weeks consecutively (or periods of 13 weeks), which began after the age of 14 and ended after the age of 1

If you are not eligible for a guaranteed bursary you may still be eligible for a discretionary bursary. Please read on to find out more.

If you are eligible, when and how should you apply?

If you are eligible for Free College Meals, or either of the bursaries described in the previous pages, please complete the **16-19 Bursary Fund and Free College Meals Application Form for 2015-16**.

Complete the form carefully, making sure you complete all of the sections. You also need to make sure you provide us with **photocopies** of the evidence we have asked for. Please **do not send originals** as we cannot guarantee that we will be able to return these to you.

You should hand in or send your completed application form and evidence to:

**Student Services Centre, BHASVIC, 205 Dyke Road, Hove,
East Sussex, BN3 6EG**

If you are sending your application and evidence by post you may want to get a free Proof of Posting Certificate or send by recorded delivery. BHASVIC cannot accept responsibility for postal applications not received.

The deadline for applications is Friday 4th of December 2015 but if you find yourself in financial hardship after this date it is important that you still contact Student Services. We will then look to see if we have any further funds available to help you.

If there are still funds available after the 4th December we will continue to accept applications at our own discretion.

What happens after you submit an application form?

We will assess your application and write to you or email you with a decision. If you are successful then the letter/email we send you will tell you how much you have been awarded, what the award is for, how these payments will be made to you and the month in which you can expect to receive payments. You will also be sent details about our attendance requirements as **all payments are dependent on your attendance record and you displaying satisfactory behaviour during your time at BHASVIC.**

- **For applications received on or before 31st July, we will write to you with a decision during August, before you complete your enrolment at the College in September.**
- **Applications received on or after the 1st August may take longer to process so you should ensure you budget for any expenses you are likely to incur during the first few weeks of College.**

If you are unsuccessful we will write to you explaining why.

We use the email address you provide on the front of the application form to contact you, so it is important you check this regularly. Once you are fully enrolled as a student at BHASVIC, whether you are a returning student, or newly enrolled, we will then use your BHASVIC email account to contact you so please make sure you check this is working as soon as possible in September.

What can the College pay for if you are successful in your application?

- **Course Charges** – we will cover these in full based on the course(s) you enrol on.
- **Travel** – to receive support with travel costs you must not be in receipt of local authority support (see page 9) and you must live over 2 miles away from the College site. We use the “as the crow flies” distance on the website below to calculate the distance from BHASVIC to your home address. You may want to check this yourself so you know in advance whether you can apply for travel <http://www.freemaptools.com/distance-between-uk-postcodes.htm> BHASVIC’s postcode is BN3 6EG.

We will **not** fund travel for students who live within a 2 mile radius of the College unless there are exceptional or medical circumstances which will be considered on a case by case basis.

If you are awarded help with travel we will calculate your award based on the cheapest and most reasonable form of public transport available to you and will also expect you to take advantage of any discounts or subsidies available to you. The award you are given may not cover 100% of your costs. Please see [pages 10-13](#) for more information.

Some students live more than 2 miles from the nearest train station they can use to travel to Brighton or Hove train stations. In this situation, the Bursary may also be able to offer support with the travel costs to and from that station, as well as the train fares. If you think this applies to you, please get in touch with Student Services.

- **Food** – If you are eligible for the Free College Meals scheme, you will be provided with one meal per day that you have timetabled commitments at College. For each applicable day, you will awarded credit equivalent to up to £3 of food and/or drinks from the College catering service. Further details on how this scheme will operate will be made available at the beginning of September. You will only receive help with food costs, outside the Free College Meals scheme, if you are a Young Carer. The amount we pay to Young Carers equates to approximately £10 per week for term time only. If you are eligible for both Free College Meals and support as a Young Carer, we are obligated to provide Free College Meals only.
- **Course related trips** – When you apply for your bursary you may not know which trips you want to go on. Unfortunately, it is not possible to guarantee funding for all College trips as the budget is limited and many of our trips are not compulsory. If you are interested in going on a trip then you should speak to Student Services as soon as you are aware of the dates, location and price. We can then see if we have funds available to contribute towards the cost. **For trips abroad, we may only pay for the trip deposit and you should expect to meet any costs above this amount yourself.**
- **Sports Kit** – only for those taking sports courses. We will check the cost with the Sports department.
- **Calculator** – only for students studying Maths and/or Physics. We will pay up to a maximum of £50. You will need to provide the receipt for your calculator in order to receive a refund from us.
- **Exam re-sits** – we can cover a maximum of 4 exam re-sits. You must come to Student Services with your re-sit form and have this signed before you hand it in to the Exams department. We will not pay for you to have exam scripts returned or re-marked. We will not pay for any printing costs associated with accessing practice exam papers.
- **UCAS Fee** – if you apply to university through UCAS we may be able to cover the cost of your online application. This will be dependent on the budget we have available at the time. This will be as a refund only. UCAS will ask that you pay their fee by debit card and we cannot do this on your behalf.

- **University Interviews and Open Days** – If you incur travel costs as a result of attending a university interview or open day in the UK then we may be able to help you with this expense. This will be dependent on the budget we have available at the time. We would only support a maximum of two visits.

You will have to cover the upfront costs yourself then we will refund your transport costs on production of public transport tickets and/or university interview / open day letter. If you chose to travel to an open day / interview by car we will either pay towards petrol costs (40p per mile for the first 100 miles, 25p thereafter) or will base your award on the cost of public transport; whichever is cheapest. Mileage will be calculated using the online AA Mileage Calculator or equivalent.

We will not pay for overnight accommodation costs associated with visits to universities. Unless there are exceptional personal circumstances, we can only refund the travel costs of the student, and not those of anybody travelling with them.

- **Travel to job/apprenticeship interview** – as above. Maximum of two interviews and payment by refund on production of tickets and/or interview letter. This will be dependent on the budget we have available at the time.
- **Enrichment activities** – if there are costs involved in you participating in College enrichment activities then we may be able to help you with this. This will be dependent on the budget we have available at the time. We will only support activities which have been organised by the College.

What can't we pay for?

- **College Deposits** – all students are asked to pay a £60 charge when they accept their place at BHASVIC. £50 of this is a refundable deposit which is returned to you at the end of your time here so long as you return all library books, text books and College equipment or materials loaned to you. £10 is retained to cover the costs of exam certificates. As the majority of this charge is refundable we cannot provide support with this cost.
- **Books** – if your course requires a core textbook or reading material this will be provided for you; we will therefore not support students with the cost of textbooks.
- **High value equipment** – due to a limited budget we cannot support students with the cost of high value equipment such as laptops and cameras.
- **Attendance bonuses / incentives** – all payments to you are based on you achieving a minimum of 90% overall attendance and displaying satisfactory behaviour during your time at BHASVIC. There have been some funds in the past which rewarded students with additional monies if they held good attendance levels throughout the academic year but we do not operate the bursary fund in this way.
- **General living costs** – e.g., mobile phone bill, accommodation, utility bills, gym membership, social/sporting activities unrelated to your College course(s).
- **Petrol** – if you are eligible for support with travel to and from College, your award will be based on the cheapest and most reasonable form of public transport available to you. We will only contribute towards petrol costs for university/job interview transport costs as described above.
- **Car parking** – there is no student parking on-site. If you chose to travel by car we will not contribute towards the cost of metered parking.

2015-16

- **Small items of stationery** – e.g. pens, paper, folders.
- **Assessment and Examination Fees** – normally, students whose attendance falls below 90% by the time examination or assessment entries are made will be required to pay a contribution towards the cost of assessment. The bursary fund will not cover this cost for you.
- **Printing** - All students receive £3 worth of print credits at the beginning of the year; when these have run out more print credits can be purchased at Reception or Library desk, and cost £3 for 100 sheets. We encourage students to carefully consider what needs to be printed, to cut down on waste.

How do we calculate travel awards?

If you are eligible for support with travel we will pay you a set amount each term so long as you meet the attendance requirements. The table on pages 11-13 shows you how we have calculated the cost from each area and the type of tickets / discount considered. If your home village or town does not appear in the table please contact us and we can discuss the costs from your area with you.

Train and bus prices can increase during the year but we will not recalculate your award if this happens. The amount you are allocated at the beginning of the year remains the same regardless of any changes in fares. Prices quoted in the table were correct at time of going to print.

In the majority of cases we base our funding levels on the cost of three monthly tickets as this roughly equates to the length of a term. However, we do build in a small additional sum to cover costs for the time it takes us to check attendance and authorise payments at the start of each term. This additional sum equals the cost of 2 weekly tickets each term. **Please bear this in mind when budgeting, as January and April bursary payments may not be received into bank accounts until the second week of the new term.**

Local Authority Travel Support

Some local authorities may support 16-19 year olds with travel but this will depend on where you live and your personal circumstances. Before applying for travel through BHASVIC you should check to see if you are eligible for support from your local authority. Links to further information are below:

If you live in Brighton & Hove:

<http://www.brighton-hove.gov.uk/index.cfm?request=c1115104#SubTitle2>

If you live in East Sussex:

<http://www.connexions360.org.uk/workandmoney/fesupport/Pages/main.aspx>

If you live in West Sussex:

http://www.westsussex.gov.uk/learning/sixth_form_schools_and_college/travel_guidance_for_post-16_st.aspx

If you do receive assistance from a local authority then BHASVIC will not award you help with travel costs.

* **Please note:** To qualify for a Unizone ticket you must hold an NUS Extra Card. For details on how to purchase an NUS Extra card please visit <http://www.nus.org.uk/en/nus-extra/> NUS Extra cards cost £12 for one academic year or £22 for two academic years. You will need to cover the cost of this yourself.

Do you need to have your own bank account?

Yes. We cannot make payments to you in cash or by cheque. We also cannot make payments to your parent(s), guardian(s) or any other third party. The account must be in your name. If you do not have a bank account and are having difficulty opening one please contact Student Services.

If you make an application are you guaranteed support?

No. Unfortunately the budget we have available is limited and we may not be able to meet your funding requirements. We would advise you to put in an application as soon as possible as funds are limited and do run out. If your circumstances change during the year, there may still be funds available, so please contact Student Services.

If you are successful in your application are there any conditions on your award?

Yes. If you are awarded Free College Meals, a guaranteed or discretionary bursary, then you will need to meet conditions of attendance and behaviour in order to receive your payments. The College will expect to see attendance of over 90% maintained throughout the year.

Attendance is measured for the term before when allocating the next term's payment. As such, every student receives their first term 'in good faith'. For example, if a student was awarded a travel bursary payable in September, January and April the first payment in September would be paid in good faith. The payment in January would be based on their attendance between September – December and the final April payment will be based on attendance between January and the Easter Holidays.

If you feel you have extenuating personal circumstances that have affected your attendance, it is important to speak to your tutor about this as soon as possible.

What should you do if you are not happy with the outcome of your application?

You can appeal our decision if:

- You think we have assessed your form incorrectly
- You think that the level of support you have been awarded is significantly less than you need to attend College

To do this you need to make your appeal in writing to the Student Services Manager. You should make any appeal within 15 working days of receiving a decision from us. When reviewing an appeal we may discuss your case with your parent(s)/carer(s), tutor, Senior Tutor or teachers.

2015-16

What should you do if you are not sure any of this applies to you, or if you have any questions about financial support?

Come and see us in the Student Services Centre and we can talk you through whether or not you are eligible. We can also help you complete application forms, advise you on the evidence we need from you and answer any other questions you may have.

What should you do if you do not think you are eligible for a bursary but are still worried about money?

Come and see us in the Student Services Centre. It is very important that you come and see us if you have any financial concerns during your time at BHASVIC.

Any more questions?
