

CLEARING SUPPORT AVAILABLE FOR A WIDE RANGE OF HEALTHCARE COURSES

NHS

The Education & Knowledge team at Brighton & Sussex University Hospitals NHS Trust have offered to talk to any students who may be given the choice of studying for a healthcare profession at University following results day. On results day only a representative from Nursing, Midwifery and Allied Health Professions such as Radiography, Orthoptics, Occupational Therapy and Biomedical Sciences, would be pleased to talk to any student wanting to know more about the discipline before making a decision. For further information please contact Carrie Weller, Lead for Multi-professional Education, carrie.weller@bsuh.nhs.uk.

On results day Carrie will be the initial contact for students and teachers

Tel: 01273 696955 Ext: 63830 - Mobile: 07769369603

CLEARING – HAVE YOU CONSIDERED NURSING?

Clearing 2018 is open and students across the country are weighing up their options. It is also the NHS's 70th birthday so what a great time to celebrate a career in nursing and highlight this amazing degree?

What do you think about when considering your degree options? A degree where you'll get a job when they graduate? Maybe they want a career with a social purpose?

Then maybe it is time you #KnowAboutNursing
