The Education section **is probably the trickiest section and VERY important** that you get it right.

Through this section you are telling universities what qualifications you are studying and what you have already.

Without this information they don't know what you are studying.

Add all your secondary education and qualifications in this section. This includes GCSEs, A Levels and BTECs for UK applicants, or their equivalents in other countries from high school or college onwards.

Please include where you are studying now, as well as qualifications you've completed and qualifications you're still studying for or re-sitting. Your referee will be asked to add predicted grades for any pending qualifications when adding your reference.

If you've attended university before, please add that here too.

It will look a bit like this

IMPORTANT: You may well have gained extra qualifications at secondary that aren't GCSEs (Childcare, computing etc.)

Please use the document we will share 'How to add Additional Qualifications' that General Office have put together to help you.

*******If any of your grades are wrong on CEDAR, please take your certificate to CIS (ground floor College House) and they will amend it on the system. It is important our records match.*******

BTEC Registration Number

You can find your BTEC registration number on your exam documents provided by your school or college.

Make sure you add your BTEC registration number if you have a pending qualification so that we can add you to your results.

Unique Learner Number (ULN)

UK Students ONLY - This is a 10-digit number connected to your Student's Personal learning record. You can find this on a certificate or results slip. If you don't have one or don't know it, leave this blank.

Last but IMPORTANT on the Education page

If you have added a BTEC at BHASVIC you will need to add your BTEC number (don't worry about secondary school BTECs)

Ask your teacher or email he@bhasvic.ac.uk and we can send it to you.

You will also need to add your ULN.

This is critical as it enables universities to see your qualifications on results day.

Find it on CEDAR on your details
