

COURSEWORK DEADLINES

A GUIDE FOR STUDENTS AND PARENTS

BHASVIC is committed to supporting students to achieve their educational goals. In order to do this, all members of the College community need clear guidance on the setting and meeting of deadlines for coursework.

Coursework is defined as any piece of student work which contributes to the final grade of a qualification studied at the College.

All students must meet the coursework deadlines set and published by the College. BHASVIC reserves the right to alter these deadlines during the course of the year. This should happen only on rare occasions and, if it does, students will be notified of the new deadline by the Head of Department.

Students who have to prepare coursework should do so by the required date. Failure to meet published deadlines, internally or externally set, may have serious consequences for students remaining on their course or gaining any form of qualification. Students' coursework will usually not be marked or processed by the College if it is submitted late, unless there are exceptional circumstances. Unmarked coursework will usually mean failure of that component of the course but, where possible, an earlier seen and assessed draft of coursework will be treated as final submission. Official evidence of exceptional circumstances will need to be provided (for example, a medical certificate from a doctor for illness), otherwise the college would be in breach of JCQ statutory guidelines on the conduct of assessment.

BTEC Coursework regulations have been recently revised in line with curriculum reform and this is a nationally agreed system: Students will be given one submission opportunity for each assessment. In the event the student does not achieve the set criteria it will be the decision of the Lead Internal Verifier (LIV) to authorise a resubmission. Resubmission is only allowed if a student has met initial deadlines and the teacher feels they could improve their work without further guidance. This must be agreed with the LIV. In this case, students are given 10 working days to improve and resubmit the work. If, after resubmission, the student still hasn't achieved the pass criteria, a new task or assignment may be given to the student. These tasks must be Internally Verified and agreed with the LIV for the subject area. Please note students can only achieve a pass for a retake. Please see guide to internal assessment or ask the department for a hard copy of this document.
