

## 16-19 Bursary Fund and Free College Meals Guidelines

These guidelines apply to students who are aged 16, 17 or 18 on the 31<sup>st</sup> August 2019. If you turn 19 on or before this date, please refer to the 19+ Learner Support Fund Guidelines which are available from Student Services.

### What are Free College Meals?

Further education providers are required to provide free meals to 16-18 year-old students from low-income households. Eligible students will be funded by credits which have an equivalent value to a meal in the BHASVIC canteen for each day they have timetabled lessons at College. In line with government policy, no **cash payments can be made** for Free College Meals.

### Are you eligible for Free College Meals?

Target Group	Evidence Required
<p>You, or your parent(s)/carer(s), are in receipt of one or more of the following benefits:</p> <ul style="list-style-type: none"> <li>• Income Support</li> <li>• Income Based Job Seekers Allowance</li> <li>• Income Related Employment and Support Allowance</li> <li>• Child Tax Credits (whilst not receiving Working Tax Credits) with a gross annual household income of no more than £16,190</li> <li>• Universal Credit (with net earnings not exceeding the equivalent of £7,400 per annum)</li> <li>• Working Tax Credit Run On (paid for the 4 weeks after you stop qualifying for WTC)</li> <li>• Guaranteed Element of State Pension Credit</li> <li>• Support under part VI of the Immigration and Asylum Act 1999</li> </ul> <p>* If you live between two homes we only need information from the person you live with for the <u>majority of the time</u>.</p>	<p>A letter / award notice confirming your entitlement to benefits from one of the following:</p> <ul style="list-style-type: none"> <li>• Job Centre Plus</li> <li>• Department for Work and Pensions</li> <li>• Her Majesty's Revenue &amp; Customs e.g., your Tax Credit Award Letter for 2019/20 which shows your income from 2018/19. If your letter is older than 3 months, please provide a recent bank statement showing a relevant payment going in to your account within the last 3 months.</p> <p>Any letter provided must confirm the name and address of the person receiving the benefit(s).</p>

If you are eligible for Free College Meals, please complete the "16-19 Bursary Fund and Free College Meals Application Form for 2019-20". If you submit an application for Free College Meals, we will automatically assess your eligibility for the 16-19 Bursary Fund; you only need to submit one application. You can find out more about the 16-19 Bursary Fund on the next page.

If you are not eligible for Free College Meals, you may still be eligible for an award from the 16-19 Bursary Fund. Please read on for further information.

## What is the 16-19 Bursary Fund?

The 16-19 Bursary Fund aims to help 16 to 19 year olds overcome any financial barriers they may face in order to attend a sixth form or further education college, linked to their programme of study. The Bursary Fund, which has been allocated to BHASVIC by the government, is made up of two parts:

<b>1</b>	<b>The Vulnerable Group Bursary</b>	<p>This is an award of up to £1,200 per year (usually split into termly payments) for students who:</p> <ul style="list-style-type: none"> <li>• <b>receive Income Support or Universal Credit in their own name</b> (because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them, such as a child or partner)</li> <li>• receiving <b>Disability Living Allowance or Personal Independence Payments</b> in their own name <b>as well as Employment and Support Allowance or Universal Credit</b> in their own name</li> <li>• are <b>in local authority care</b> or who have <b>recently left local authority care</b></li> </ul>
<b>2</b>	<b>The Discretionary Bursary</b>	<p>The College also has money to help students who are not in the groups above, but who face genuine financial barriers to attending college. A discretionary bursary is awarded to you based on your specific requirements and cannot be awarded for costs unrelated to your programme of study, for general expenses or used as an attendance incentive. Bursaries are usually awarded for transport and/or course costs.</p>

***Please note:** Even if you meet one of the eligibility criteria specified above, BHASVIC has the right to refuse your application if you do not have any actual financial need. This may be because your financial needs are being met in another way, or because you have no costs to meet.*

*If you are eligible for a Vulnerable Group Bursary, and your costs are above £400 per term (for example, train travel from some locations is over £500 per term), please contact Student Services, and we will issue a top-up payment from the Discretionary Bursary where possible. Students receiving a Vulnerable Group Bursary may also apply for support with additional costs that may present during the academic year (see pages 7-9 for details) and support with these will be assessed on a case by case basis.*

## How are young people in care and care leavers defined?

For the purposes of the 16 to 19 Bursary Fund, the definitions are:

- 'in care' means young people looked after by a local authority on a voluntary basis (Section 20 of the Children Act 1989) or under a care order (Section 31 of the Children Act 1989). Section 22 of the Children Act 1989 defines the term 'looked after child'
- 'care leaver' means either:
  - Young people aged 16 and 17 who were previously looked after for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16.
  - A young person who is aged 18 or above who was looked after prior to becoming 18 for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16

*Please note: a young person who is privately fostered is not classed as a 'looked after child' and is not eligible for the Vulnerable Group Bursary.*

### Are you eligible for a Vulnerable Group Bursary?

To be eligible for a Vulnerable Group Bursary you must be in one of the following groups and be able to provide us with the evidence listed below:

Target Group	Evidence Required
<p>Young People <b>'in care'</b>, or <b>'care leavers'</b></p> <p>i.e., young people who are, or have been, cared for by the Local Authority.</p> <p>Most Looked After Children have, or will have had, a Social Worker.</p>	<p>A letter/email from the relevant Local Authority. This must be on headed paper, or from a local authority email address. Please see the previous page for more details on how 'in care' and 'care leaver' are defined.</p>
<p>In receipt of <b>Income Support</b> in your own name</p> <p>or</p> <p>In receipt of <b>Universal Credit</b> in your own name</p>	<p>A copy of your Income Support award notice</p> <p>Or</p> <p>A copy of your 3 most recent monthly Universal Credit award statements.</p> <p><i>If you are in receipt of Universal Credit we must also see a tenancy agreement in your name, a child benefit receipt or birth certificate for any children you have, or utility bills in your name to prove that you are financially supporting yourself and or dependents(s).</i></p>
<p>In receipt of <b>Disability Living Allowance or Personal Independence Payments</b> in their own name</p> <p><b>as well as</b></p> <p><b>Employment and Support Allowance or Universal Credit</b> in their own name</p>	<p>For students receiving UC/ESA and Disability Living Allowance and Personal Independence Payments, we need a copy of your Universal Credit claim from the Department for Work &amp; Pensions. (You should be able to print off details of your award from your online account).</p> <p>Evidence of receipt of Disability Living Allowance or Personal Independence Payment, must also be provided.</p>

If you are not eligible for a **Vulnerable Group Bursary** you may still be eligible for a **Discretionary Bursary**. Please read on to find out more.

6	<p>You are currently of No Fixed Abode. For example, students who are Travellers, living in emergency accommodation, homeless or insecurely housed.</p>	<p>Please contact Student Services about your circumstances. We may be able to help with travel and food costs, and additional support within the College.</p>
7	<p>You receive Disability Living Allowance or Personal Independence Payment in your own name, or have an Education, Health and Care Plan.</p>	<p>A Disability Living Allowance or Personal Independence Payment award letter, or an EHC Plan. If you are unsure whether this applies to you, please contact Student Services.</p>

### What if I am eligible, but cannot find the specified evidence?

In many situations we can be flexible with the evidence required, as we understand that it can be difficult to replace some award letters if lost. We can also offer advice on how to request replacement letters or confirmation of eligibility letters from government agencies. In these circumstances, please contact Student Services to discuss your application. You can drop in to Student Services between 08:30 and 16:00 Monday – Friday during term-time, email [bursary@bhasvic.ac.uk](mailto:bursary@bhasvic.ac.uk) or call 01273 552200 and ask for Student Services.

### If you are eligible, when and how should you apply?

If you are eligible for Free College Meals, or either of the bursaries described in the previous pages, please complete the 16-19 Bursary and Free College Meals Application Form for 2019–20.

Complete the form carefully, making sure you complete all of the sections. You also need to make sure you provide us with photocopies of the evidence we have asked for. Please do not send originals as we cannot guarantee that we will be able to return these to you.

You should hand in or send your completed application form and evidence to:

16-19 Bursary, Student Services Centre, BHASVIC,  
205 Dyke Road, Hove, East Sussex, BN3 6EG

If you are sending your application and evidence by post you may want to get a free Proof of Posting Certificate or send by recorded delivery. BHASVIC cannot accept responsibility for postal applications not received. The deadline for applications is Friday 6 December 2019 but if you find yourself in financial hardship after this date it is important that you still contact Student Services. We will then look to see if we have any further funds available to help you.

If there are still funds available after the 6 December 2019 we will continue to accept applications at our own discretion.

### What happens after you submit an application form?

We will assess your application and email your BHASVIC email account with a decision. If you are successful then the email we send you will tell you how much you have been awarded, what the award is for, how these payments will be made to you and the month in which you can expect to receive payments. You will also be sent details about our attendance requirements as all payments are dependent on your attendance record and you displaying satisfactory behaviour during your time at BHASVIC. **We aim to process all applications within 15 working days. We can only do this if the application form is fully completed and is submitted with the correct evidence.**

To ensure that support is in place for the start of the Autumn term, you will need to ensure that you submit your application at least 15 working days prior to your first day in college.

**All reasonable measures are taken to ensure that successful applicants receive payments in time for the start of term, however,** please ensure you budget for any expenses you are likely to incur during the first few weeks of college in case we experience any unforeseen delays.

If you are unsuccessful in your application, we will email you explaining why. If we do not have sufficient evidence to assess your eligibility, we will contact you to request additional information.

<b>What can the College pay for if you are successful in your application?</b>
--

- **Course Charges** – we will cover these based on the course(s) you enrol on. Course charges for two-year courses are paid in two parts, half in each academic year. You need to re-apply for the bursary for each academic year.
- **Travel** – to receive support with travel costs you must **not be in receipt of** local authority support (see page 10) and you must live over 2 miles away from the College site. We use the “as the crow flies” distance on the website below to calculate the distance from BHASVIC to your home address. You may want to check this yourself so you know in advance whether you can apply for travel  
<http://www.evofacilities.co.uk/distancefinder.php>  
 BHASVIC’s postcode is BN3 6EG.

The reason for using the ‘as the crow flies’ distance is to ensure that the calculation is fairly applied to each student, decisions are transparent, and that our allocation process for travel is not dependent on staff administering the bursary analysing the various routes that may be available to an individual.

We will not fund travel for students who live within a 2 mile radius of the College unless there are exceptional or medical circumstances which will be considered on a case by case basis.

If you are awarded help with travel we will calculate your award based on the cheapest and most reasonable form of public transport available to you and will also expect you to take advantage of any discounts or subsidies available to you. The award you are given may not cover 100% of your costs. Please see pages 11-13 for more information.

If you are travelling to college by train or bus, and also live more than 2 miles from your nearest station/stop, we may offer you additional funds to cover travel costs between your home and the train station.

- **Food** – If you are eligible for the Free College Meals scheme, you will be provided with one meal per day that you have timetabled commitments at College. For each applicable day, you will be awarded credit equivalent to up to £3 of food and/or drinks from the College catering service. You will only receive help with food costs, outside the Free College Meals scheme, if you are a Young Carer or are insecurely housed or homeless (Target Group 5 or 6). The amount we pay to these Target Groups equates to approximately £10 per week for term time only. **If you are eligible for both Free College Meals and support under Target Group 5 or 6, we are obligated to provide Free College Meals only.**
- **Course related trips** – For one-day trips within the UK, that take place during term-time, linked to your course or college-organised enrichment, we can cover the specified trip costs. Please bring the trip permission letter to Student Services, as soon as it is given to you, so we can authorise an internal payment. If you have already paid for a trip and would like to organise a refund, talk to Student Services.

**For trips that are residential, multi-day or abroad, we can only contribute 20% of the total cost of the trip. You should expect to meet any costs above this amount yourself.**

- **Sports Kit** – only for those taking sports courses. All students studying a sports-based course will receive a £50 payment for each year to assist with clothing and kit costs. If students are involved in extra-curricular activities where they are representing BHASVIC, and need additional sports kit or equipment, we may be able to additionally support these costs, regardless of whether or not the student studies a sports-based course. Please talk to Student Services for more information.
- **Calculator** – only for students studying Maths, Physics, Chemistry or Biology. We will pay up to a maximum of £75. You will need to provide the receipt for your calculator in order to receive a refund from us. You can only receive support to purchase a calculator once during your time at the College. If you are unsure of the calculator functions required for the entirety of your study, please ask your teacher(s) for more information.

- **Exam re-sits** – We may be able to support current students with the cost of exam re-sits. Please talk to Student Services about this, as the nature of resits is changing as we complete the move to linear examinations.
- **UCAS Fee** – if you apply to university through UCAS we may be able to cover the cost of your online application. This will be dependent on the budget we have available at the time. This will be as a refund only, paid to all eligible students after the UCAS application deadline has passed. UCAS will ask that you pay their fee by debit card and we cannot do this on your behalf.
- **Compulsory Admissions Examinations** – Some university courses require an admissions test as part of their application process, for example, the LNAT for some Law courses or the UKCAT for some Medicine courses. Many of these processes waive their fees for students who are in receipt of the 16-19 Bursary Fund. If you are unsure whether or not you are required to pay a fee for a compulsory admissions test, please speak to Student Services. We may be able to support students with compulsory costs that are not covered by the college or subject to a fee-waiver from the examination provider.
- **Compulsory University Interviews, Testing Days and Auditions** – If you incur travel costs as a result of attending a university interview, admissions test or audition in the UK then we may be able to help you with this expense.

You will have to cover the upfront costs yourself then we will refund your transport costs on production of public transport tickets and/or an invitation letter or email from the University. If you chose to travel by car we will either pay towards petrol costs (16.5 pence per mile) or will base your award on the cost of public transport; whichever is cheapest. Mileage will be calculated using the online AA Mileage Calculator or equivalent.

We will not pay for overnight accommodation costs associated with visits to universities. Unless there are exceptional personal circumstances, we can only refund the travel costs of the student, and not those of anybody travelling with them.

- **Optional University Open Days and Applicant Days** – We may be able to support students with travel costs incurred as a result attending non-compulsory university events such as Open Days or Applicant Days. This will be dependent on the budget we have available at the time. If funds are available, we may support students with travel to two non-compulsory university events per academic year. Travel cost calculation details as above.
- **Travel to job/apprenticeship interview** – We may support students with travel costs to with a maximum of two interviews for a job, apprenticeship or internship. Travel cost calculation details as above.
- **Enrichment activities** – if there are costs involved in you participating in college enrichment activities then we may be able to help you with this. This will be dependent on the budget we have available at the time. We will only support activities which have been organised by the College. For Duke of Edinburgh trips, we will pay 20% of the total cost of the trip and you should expect to meet any costs above this amount yourself.
- **Printing** - All students receive £3 worth of print credits at the beginning of their first year- when these have run out, more print credits can be purchased from the Library desk at a cost of £3 for 100 sheets. We encourage students to carefully consider what needs to be printed, to cut down on waste. If we have the budget available, we may be able to help with the cost of printing top-ups. This would be as a one-off, termly payment direct to your bank account and the amount will be confirmed to you when we let you know if your application was successful.

### What can't we pay for?

- **College Deposits** – all students are asked to pay a £60 charge when they accept their place at BHASVIC. £50 of this is a refundable deposit which is returned to you at the end of your time here so long as you return all library books, text books and College equipment or materials loaned to you. £10 is retained to cover the

costs of exam certificates. As the majority of this charge is refundable we cannot provide support with this cost.

- **Books** – if your course requires a core textbook or reading material this will be provided for you, or will be available in the College library; we will therefore not support students with the cost of textbooks.
- **High value equipment** – due to a limited budget we cannot support students with the cost of high value equipment such as laptops and cameras.
- **Attendance bonuses / incentives** – all payments to you are based on you achieving a minimum of 90% overall attendance and displaying satisfactory behaviour during your time at BHASVIC. There have been some funds in the past which rewarded students with additional monies if they held good attendance levels throughout the academic year but we do not operate the bursary fund in this way.
- **General living costs** – e.g., mobile phone bill, accommodation, utility bills, gym membership, social/sporting activities unrelated to your College course(s).
- **Petrol** – if you are eligible for support with travel to and from College, your award will be based on the cheapest and most reasonable form of public transport available to you. We will only contribute towards petrol costs for university/job interview transport costs as described on page 8.
- **Car parking** – there is no student parking on-site. If you chose to travel by car we will not contribute towards the cost of metered parking. We do not recommend students travel to College by car, as parking is very limited in the local area.
- **Small items of stationery** – e.g., pens, paper, folders.
- **Assessment and Examination Fees** – normally, students whose attendance falls below 90% by the time examination or assessment entries are made will be required to pay a contribution towards the cost of assessment. The bursary fund will not cover this cost for you.

### How do we calculate travel awards?

If you are eligible for support with travel, we will pay you a set amount each term so long as you meet the attendance requirements. The table on pages 11-13 shows you how we have calculated the cost from each area and the type of tickets / discount considered.

*Please note: that we are unable to confirm exact train costs at the time of printing these guidelines as we are awaiting further information regarding the new 16-17 railcard which was announced by the government in January 2019. If this does become available, it will offer a 50% discount on rail travel and the current discount /subsidy scheme (the Sussex Student Card) will cease to exist.*

If your home village or town does not appear in the table, please contact us and we can discuss the costs from your area with you.

**Train and bus prices can increase during the year but we will not be able to recalculate your award if this happens.** The amount you are allocated at the beginning of the year remains the same, regardless of any changes in fares. Prices quoted in the table were correct at time of going to print.

Continued bursary eligibility is dependent on following the Absence Procedures (see page 14 for more information). **Please bear this in mind when budgeting, as January and April bursary payments may not be received into bank accounts until the second week of the new term.**

## Local Authority Travel Support

Some local authorities may support 16-19 year olds with travel but this will depend on where you live and your personal circumstances. Before applying for travel through BHASVIC you should check to see if you are eligible for support from your local authority. Links to further information are below:

If you live in Brighton & Hove:

<http://www.brighton-hove.gov.uk/index.cfm?request=c1115104#SubTitle2>

If you live in East Sussex:

<https://www.c360.org.uk/travel/extra-help>

If you live in West Sussex:

[http://www.westsussex.gov.uk/learning/sixth\\_form\\_schools\\_and\\_college/travel\\_guidance\\_for\\_post-16\\_st.aspx](http://www.westsussex.gov.uk/learning/sixth_form_schools_and_college/travel_guidance_for_post-16_st.aspx)

If you do receive assistance from a local authority then BHASVIC will not be able to award you help with travel costs, but you may still be eligible for other costs.

\* Please note that to qualify for Unizone tickets, students will need an additional railcard. At the time of printing we are unsure whether this will be the existing 16-25 Rail Card (which costs £30 for one year of £70 for three years) or the planned 16-17 Rail Card which is due to launch in Summer 2019. Students must meet the cost of any additional rail cards themselves. For more information please see <https://www.railcard.co.uk/>

Do you need to have your own bank account?

**Yes.** We cannot make payments to you in cash or by cheque. We also cannot make payments to your parent(s), carer(s) or any other third party. The account must be in your name. If you do not have a bank account, and are having difficulty opening one, please contact Student Services.

If you make an application are you guaranteed support?

**No.** Unfortunately the budget we have available is limited and we may not be able to meet your funding requirements. We would advise you to put in an application as soon as possible as funds are limited and do run out. If your circumstances change during the year, there may still be funds available, so please contact Student Services.

If you are successful in your application are there any conditions on your award?

**Yes.** If you are awarded Free College Meals, a Vulnerable Group Bursary or discretionary bursary, then you will need to meet conditions of attendance and behaviour in order to receive your payments. The College will expect to see attendance of over 90% maintained throughout the year.

Attendance is measured for the term before when allocating the next term's payment. As such, every student receives their first term 'in good faith'. For example, if a student was awarded a travel bursary payable in September, January and April the first payment in September would be paid in good faith. The payment in January would be based on their attendance between September – December and the final April payment will be based on attendance between January and the Easter Holidays. Students are not penalised for authorised absences.

**If you feel you have extenuating personal circumstances that have affected your attendance, it is important to speak to your Personal Tutor or Guidance Manager about this as soon as possible.**

What should you do if you are not happy with the outcome of your application?

You can appeal our decision if:

- You think we have assessed your application incorrectly
- You think that the level of support you have been awarded is significantly less than you need to attend College

To do this you need to make your appeal in writing to the Student Services Manager. You should make any appeal within 15 working days of receiving a decision from us. When reviewing an appeal we may discuss your case with your parent(s)/carer(s), Personal Tutor, Guidance Manager or teachers.

What should you do if you are not sure any of this applies to you, or if you have any questions about financial support?

Contact Student Services and we can talk you through whether or not you are eligible. We can also help you complete application forms, advise you on the evidence we need from you and answer any other questions you may have. Student Services can offer advice on finding the cheapest mode of transport available, as well as on how to apply for any eligible discounts or travel cards.

What should you do if you do not think you are eligible for a bursary but are still worried about money?

Contact Student Services. It is very important that you come and see us if you have any financial concerns during your time at BHASVIC.
