

Dear Parent / Carer,

## BHASVIC Futures Fair 2019

**Thursday 24<sup>th</sup> January, 10.00 – 14.30, Sports Centre**

We would like to invite you to the **BHASVIC Futures Fair**.

This event is part of the ongoing careers support that we offer to students and is the largest event of the year. This is a great opportunity for students to find out more about the options available to them after they leave BHASVIC and, for you, it is an opportunity to speak directly to a range of organisations who offer progression routes to your young person. **It may also be useful if you are looking for a new challenge in your own career** as some of the organisations, most notably the NHS, are recruiting from a wider age group.

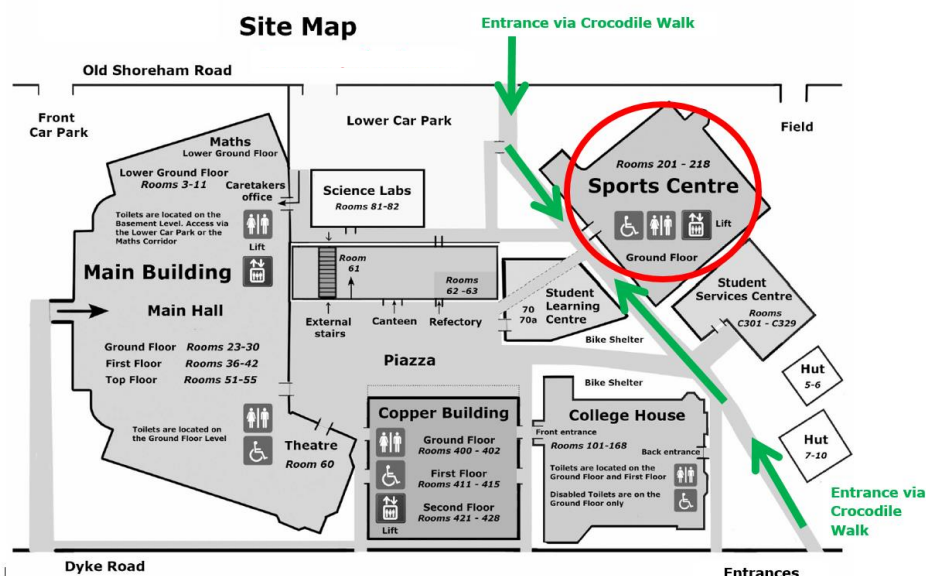

We will have nearly 100 exhibitors attending, representing higher education, further education, apprenticeships, gap year providers, volunteering and employment. The universities attending include not just our three local providers, but also **many of the top 15 destinations for our students**, such as Manchester, Bristol, Sheffield, Southampton, Portsmouth, Exeter and Leeds. **Please see below for a more comprehensive list of attendees.**

The NHS will have representation from a variety of departments, both medical and administrative, and they are actively looking to fill apprenticeships - successful applicants do not need to be school leavers and this is a great opportunity for you if you are currently looking for a change in career or to get back in to employment.

**If you would like to come along to the Futures Fair**, please sign in at the desk in the entrance area of the Sports Centre (map included below). There is **no onsite parking** available so please travel by public transport or use the on street parking available locally.

We look forward to seeing you on the day.

BHASVIC Student Services Team
