

Course outline – 30 weeks

Language: French

Level: 7

Course book: In this level we do not use a course book as the course is structured around the tutor's own resources.

This course is for fluent speakers who have successfully completed Level 6 (or equivalent number of years of part-time study with other providers). It is aimed at advanced learners who have a very good command of the language and feel confident conversing in various contexts and situations as well as using different forms of discourse. The course will cover a wide range of cultural topics which will be adapted to student's interests, such as art, literature, politics and current affairs, cinema, music, history, geography and country's institutions. You will be able to explore the language and culture of relevant countries by studying authentic materials taken from quality newspapers and magazines, video documentaries and audio sources. Students will have an opportunity to do their own research on topics relating to current affairs and personal interests so they can present and discuss them during the lessons. Practical advice on grammar will be integrated as appropriate.
