

Business

Higher Education at BHASVIC

In Sept 2018, 48 BHASVIC students went onto study Business at 22 different universities

Business remains year on year one of our top ten subjects for University study.

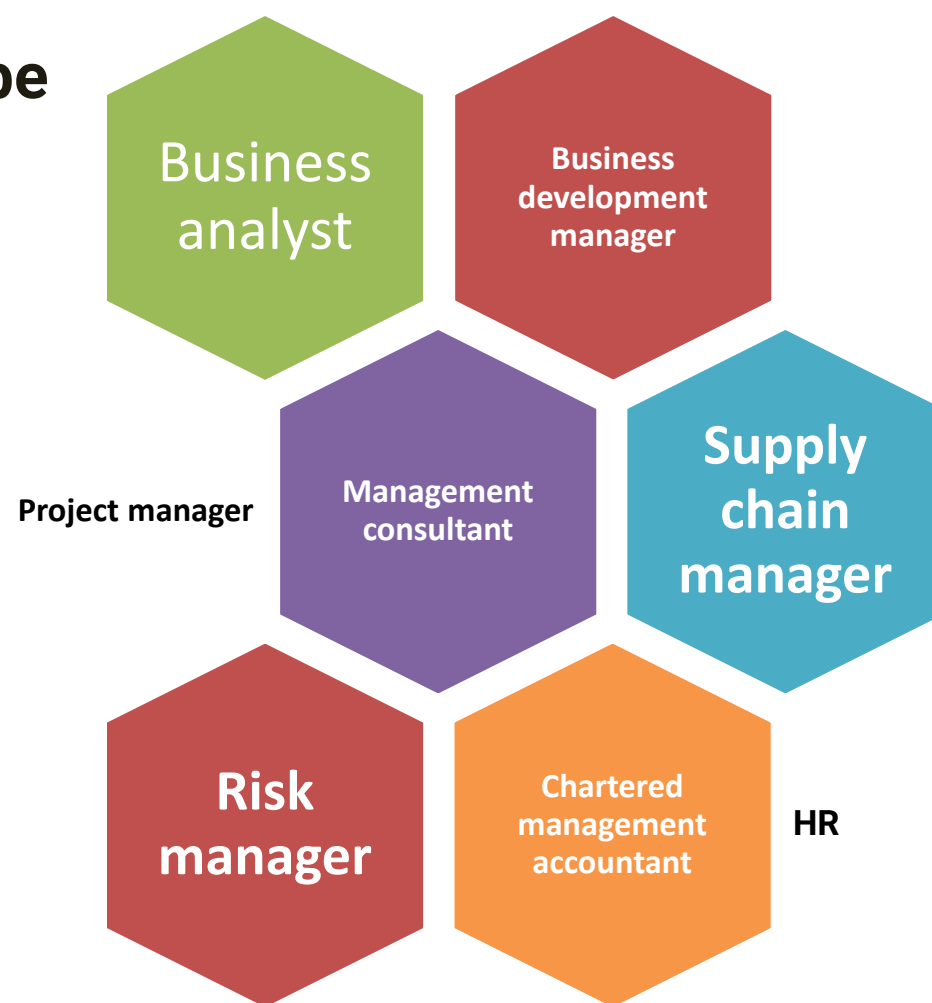

Entry to University can be through studying Business A level or BTEC.

The skills gained on a business and management degree allows you to contribute to your employer's organisation quickly and effectively

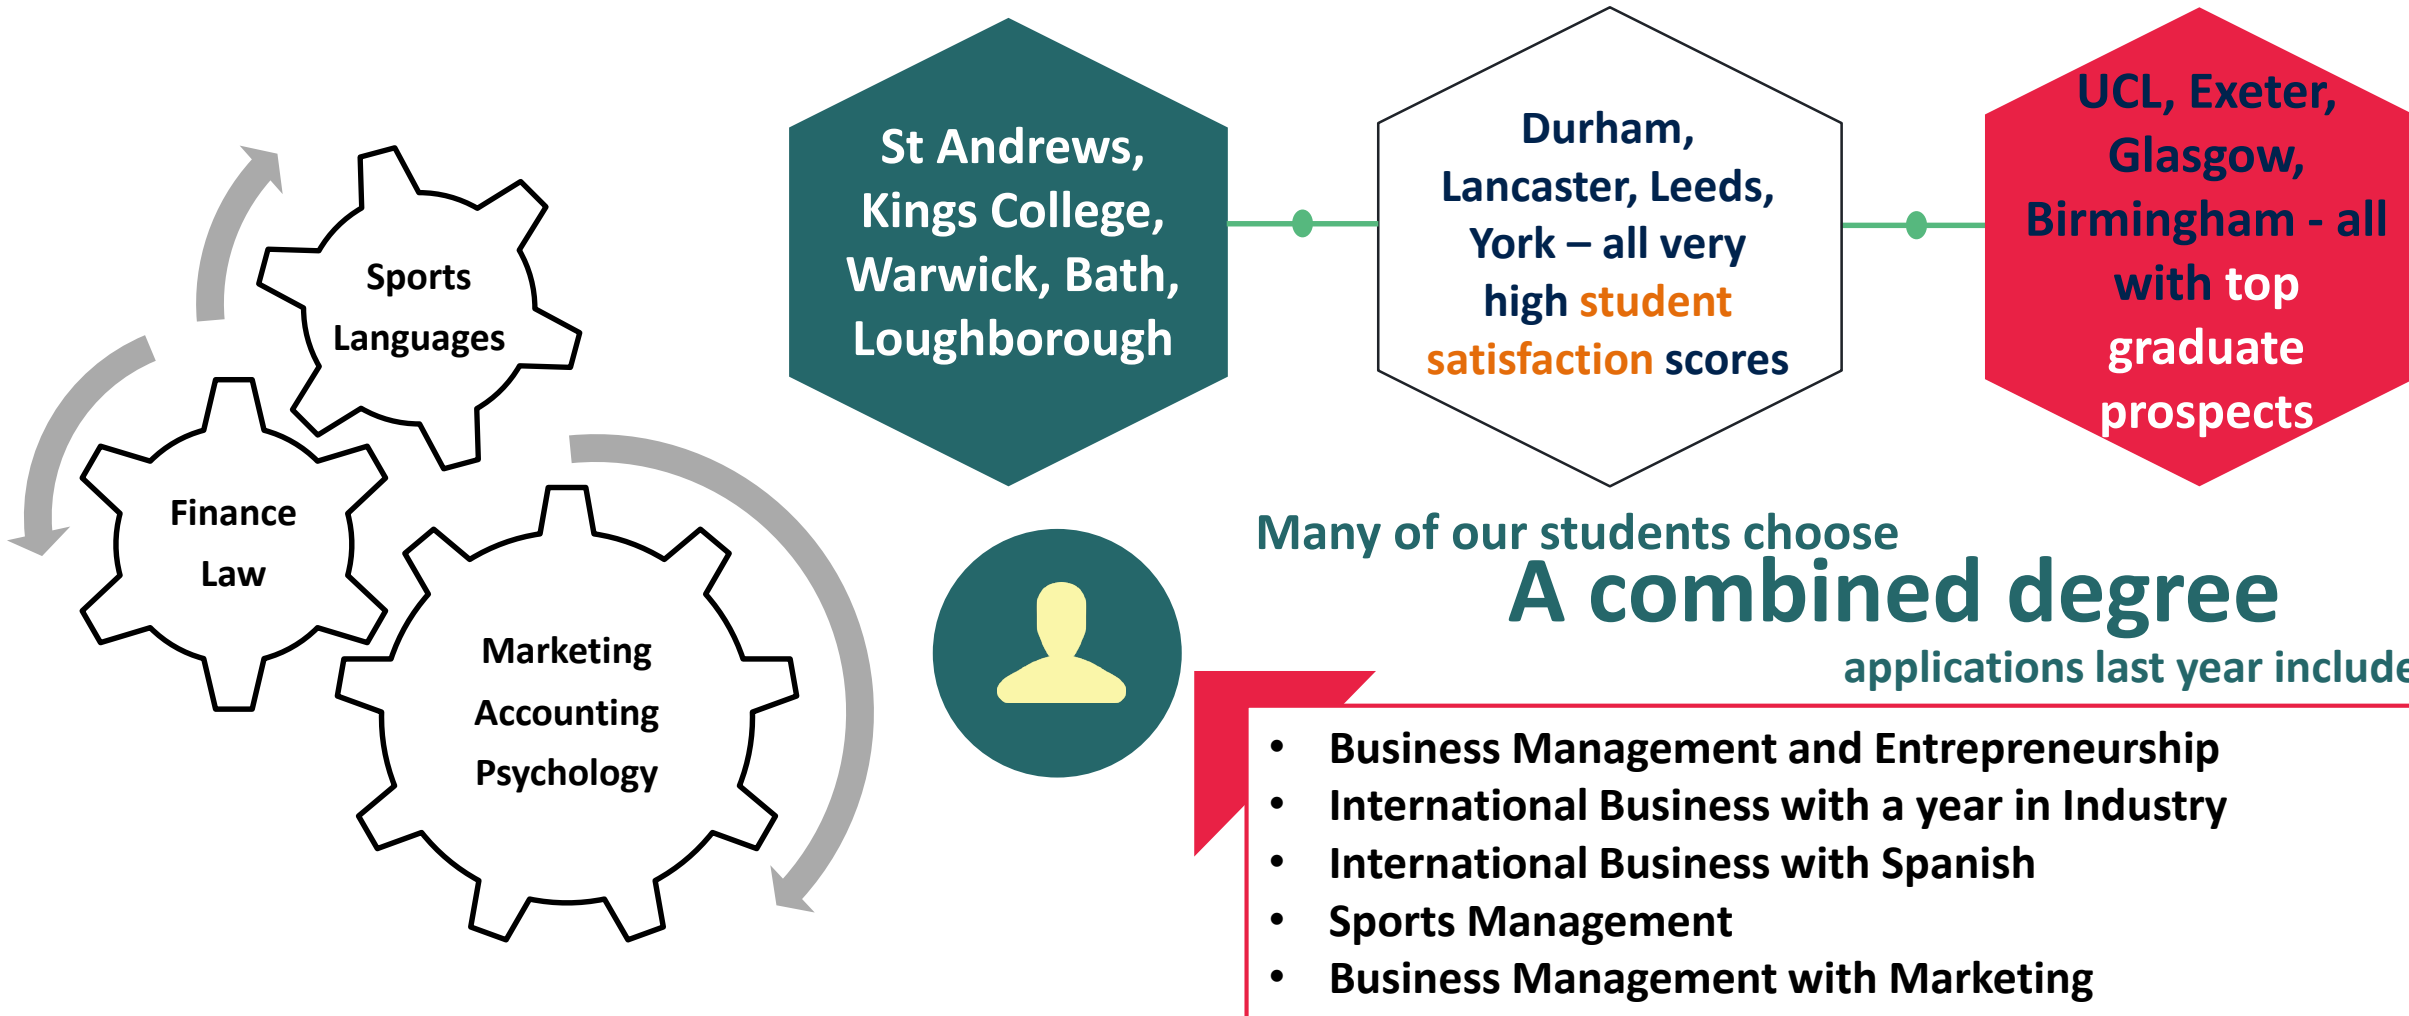

Jobs where a Business degree would be useful include:

- Construction manager
- Environmental engineer
- Human resources officer
- Logistics and distribution manager
- Marketing executive
- Retail manager
- Sales executive
- Systems analyst
- UX analyst

Top 10 Universities for Business
