

Classical Civilisation

Higher Education at BHASVIC

In Sept 2018, 9 BHASVIC students went onto study Classics-related degrees at 9 different universities

In addition, 4 students went onto study Archaeology at Bristol, York, Exeter and Leicester Universities.

It is popular combined with other subjects.

A classics degree develops your intellectual flexibility and analytical thinking skills.

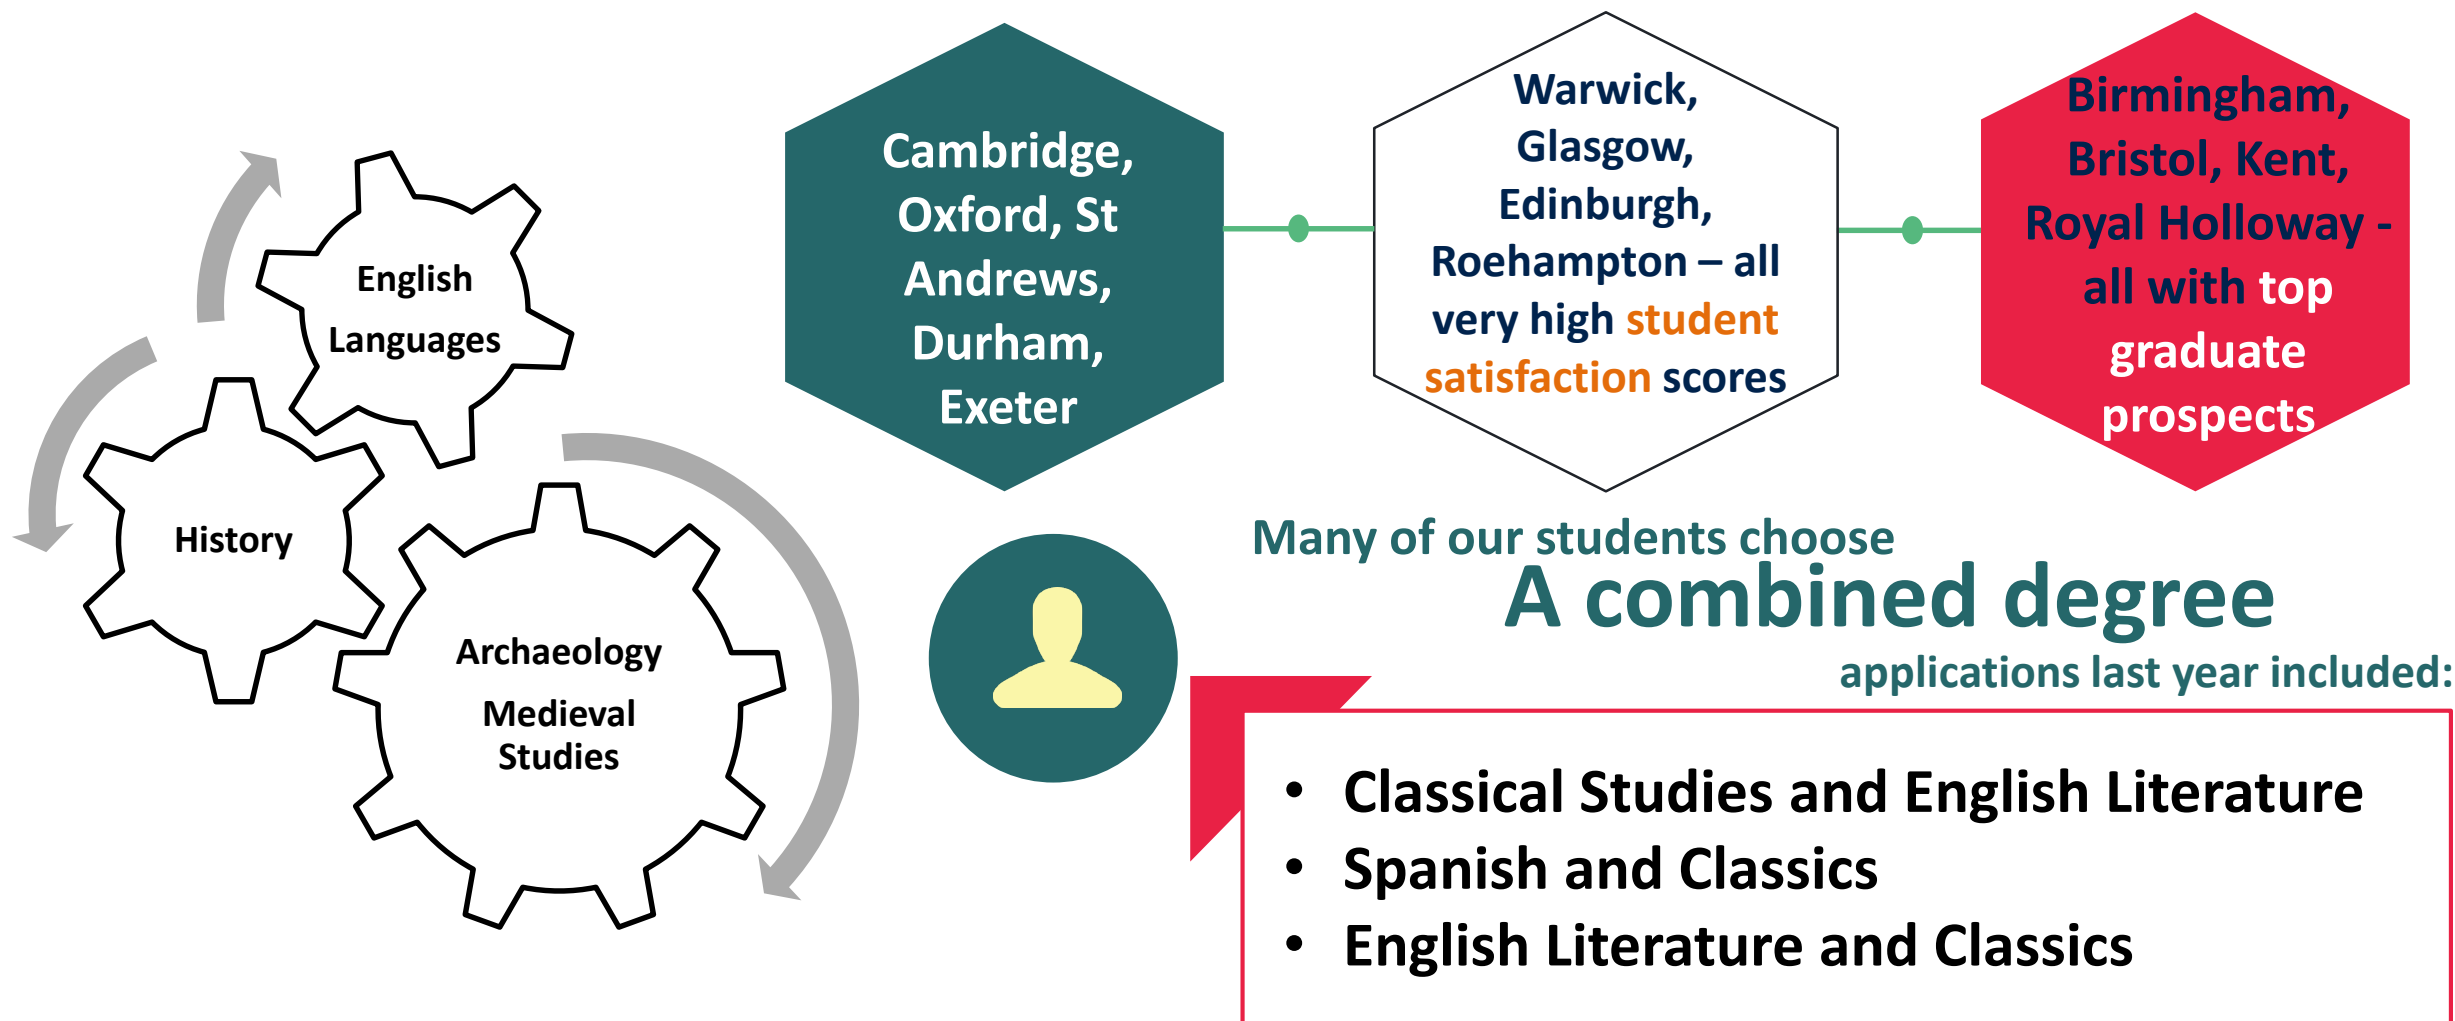

Jobs where a Classics degree would be useful include:

- Chartered accountant
- Civil Service
- Editorial assistant
- Market researcher
- Newspaper journalist
- Public relations account executive
- Secondary school teacher
