

Fine Art

Higher Education at BHASVIC

Many of our students choose to take a one year Art Foundation level 3/4 Diploma (equiv. to 2 A levels) before embarking on an arts degree

Last year 69 students took this pathway, often studying at Brighton Met City College or Northbrook.

Joining a Visual Arts tutor group in A2 to support them in their applications, this helps them explore the wide variety of arts degrees available. Arts universities such as Falmouth, Bournemouth and Norwich specialise in Visual Arts courses. In addition, 11 students chose direct entry to Fine-art related degrees.

Fine art graduates develop practical and creative skills as well as entering exhibitions, competitions and building up a portfolio of work

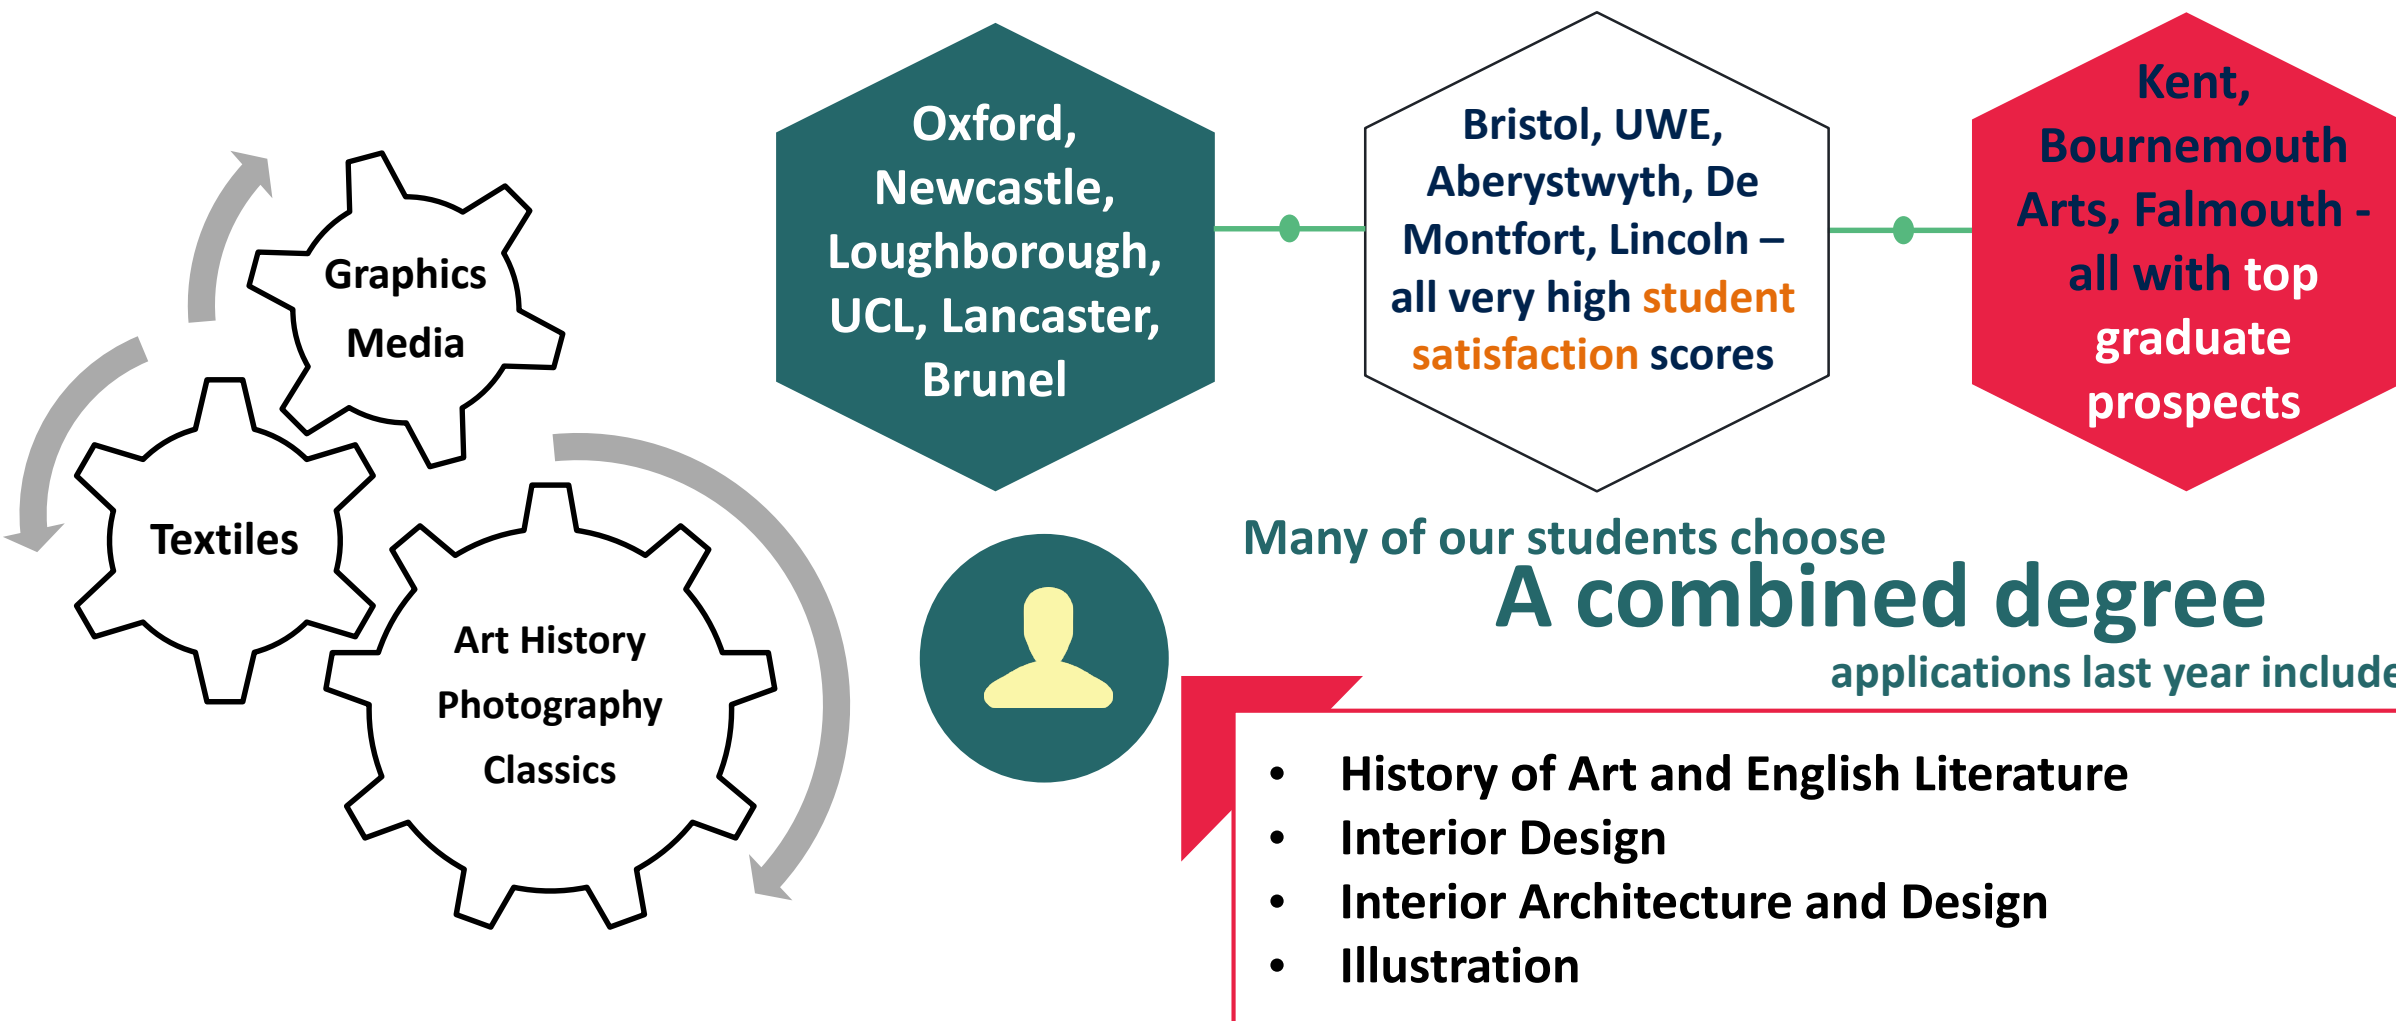

Jobs where an Fine Art degree would be useful include:

- Art therapist
- Arts administrator
- Estates manager
- Interior and spatial designer
- Museum/gallery curator
- Museum/gallery exhibitions officer
- Multimedia programmer
- Stylist
