

Helpsheet – Completing your UCAS Apply form 22

IMPORTANT Information:

- Your Apply form is where we will add your reference and grades achieved, send off to UCAS who will then send off to universities.
- You will cover the form in tutor and will attend an Apply session one lunchtime where you will check it with a Guidance Manager. It should be completed as much as possible BEFORE you attend.
- If you wish to defer choose 24 entry, if in doubt of a gap year choose 23. You may well be able to change later if you decide in a gap year by contacting your choices.
- Your choices are NOT ranked and go off to each university individually – they do NOT see your other choices.
- UCAS we will process your applications after 15/10. Please DO NOT PAY until you have attended an apply session and had your form checked and added at least one choice and your personal statement.
- We would expect most of your applications to have been processed by the end of November (to allow for the Xmas break when college is closed).
- You can change a choice within 14 days of the welcome email from UCAS then you are stuck with them. Only add what you are sure you might actually consider and you can add 1 at a time.
- General Office ask for 10 working days to process once you have PAID.
- Please check your emails / Teams regularly. We may need you to make changes.
- Find resources and info on **the UCAS team**.
- Choose your correct tutor group – don't worry if it changes. Let your tutor know and they will ask general office to change to the correct group.
- **IMPORTANT: if you are re-sitting any exams** they MUST be included. Add the re-sit subject, date and pending.

English proficiency tests and exams are taken by students who don't speak English as their first language. Is English your first language?
 This question is to find out whether you have taken an IELTS or TOFEL English proficiency test. The answer to this question is not passed on to your choices.
 • If you click yes, you won't be asked any additional questions and can mark this section as complete.
 • If you click no, and have taken English proficiency tests, you need to add your certificate numbers and we'll pass them on to your chosen universities and colleges when you submit your application.
 • If you click no and haven't completed any tests, for example because Welsh is your first language, you can leave the remaining fields blank and then mark this section as complete.

Unique Learner Number (ULN)
 This is a 10-digit number connected to a UK student's Personal Learning Record. You can find this on a qualification certificate or results slip. If you don't have a ULN, or don't know yours, please leave this blank. Scottish domiciled students do not have a ULN.

The Education section is probably the trickiest section and VERY important that you get it right.

Through this section you are telling universities what qualifications you are studying and what you have already.

Without this information they don't know what you are studying towards.

Before you attend an Apply session (UCAS groups) it is useful if you can add a first draft of a personal statement and at least one choice.

You may well need to preview before you save.

Our guide to [writing your personal statement](#) (opens in a new window) should help you complete this section.

We strongly recommend you write the statement using a word-processor and paste it in to your application.

You can type your statement directly into the box or edit a statement you have pasted in.
