Dear Parent or Carer,

BHASVIC Parents' Fund

Every year parents and carers are asked to contribute to BHASVIC by making a donation to the college. In Autumn we requested donations to the Parents' Fund via our Student Services Newsletter; we are aware that this may have got lost in the information overload of that period so are now writing to you individually to request your support.

BHASVIC needs additional financial support in order to provide the best possible resources and facilities for our students. The money which parents and carers give helps us to equip the library, provide IT equipment, support Student Union events and more; any additional income makes a real difference to us.

Therefore, can I invite you to please consider assisting us in providing the best possible education for your young person by making a voluntary contribution to BHASVIC of £75.00, if you have not already done so, to help towards their education whilst they are here. Depending on your circumstances, you may wish to give more or less than this sum. You will find the 'Parents Fund Payment Form', together with a 'Gift Aid Declaration Form' here, in the Parents and Carers section of our website:

If you do not wish to make a donation please do not feel obliged to; I know that not everyone is in the position to be able to contribute, especially during the cost of living crisis. However, we come to you cap in hand and also financially challenged, whilst at the same time trying to maintain a quality offer to all of our students.

Yours faithfully,

William Baldwin
Principal
