

Well done for choosing psychology A level, please make sure you have completed the homework for the first lesson in Psychology

Follow the instructions below. This will take between 10-12 hours to complete. Please complete all four tasks in detail.

- \* Visit the psychology website: [www.psych205.com](http://www.psych205.com)
- \* Find the tab "Linear A level" and scroll to "new starters"

This homework will include some Maths Practice (for maths test in first lesson), Approaches in Psychology, The nature/nurture debate and an Introduction to research methods: Different types of observations and their strengths and weaknesses.
