

The BHASVIC Timetable

At college you can divide your time between timetabled lessons, tutorial, private study and socialising. You will have lessons for a minimum of 13.5 hours a week plus tutorial time (and enrichment if you opt for it). Outside lessons you should spend a further 13 hours on private study and homework across your courses per week. Working for up to eight hours a week in part-time employment is very positive but any more than this is likely to negatively affect your studies and achievement.
