Why BHASVIC?

Students

Studying is cool

A man with grey hair and a beard, wearing a blue button-down shirt, is sitting at a desk and looking towards a woman. The woman has brown hair in a ponytail, is wearing a grey denim jacket over a yellow and black striped turtleneck, and is looking down at a book or document on the desk. She is holding a pen. On the desk, there is a clear pencil case with colorful pens and pencils, and an open book. The background shows a blurred classroom or office environment with shelves and other people.

The interview

What happens...?

What to bring...?

Handwritten mathematical work on a piece of paper:

$$\begin{aligned} R &= (6i + 5j) + 3(-2.5i + 6j) \\ &= (6 - 7.5)i + (5 + 18)j \\ &= (-1.5i + 23j) \text{ km} \end{aligned}$$

Below this, there is another calculation:

$$S = (5 + 10i) + 2(-2.5i + 6j)$$

At the bottom of the page, there is a simple arithmetic problem:

$$\begin{aligned} 11 &= \\ 6 &= 2 \end{aligned}$$

What to wear...?

What to choose...?

Three reasons to choose a course

It is a sensible and safe option

It will look good on my CV

I will enjoy it

Three reasons to choose a course

~~It is a sensible and safe option~~

~~It will look good on my CV~~

I will enjoy it

Three reasons to choose a course

~~It is a sensible and safe option~~

~~It will look good on my CV~~

I will enjoy it 

What to ask...?

Will I get a place?

Thank You!
